 CALIFORNIA IN NEED OF OREGON HAY Total sales amounted to 630,000 shares. General news touching upon financial con-ditions was favorable in the main, time unday's large cash loss by the local banks. Advices from the West reported satis-factory business in virtually all lines of trade with a 5 to 10 per cent increase in bonage by the reliroads. Dealings in fordien exchange were negligible, with only nominal changes in states to continential points. Raifroad bonds manifested greater irreg-ularity, bordering upon weakness in specu-lative insues, but internationals yielded none of their recent gaias. Total anies, par value, \$3,870,000. United States and Panama bonds were 12 to 215 per cent lower on call. Stocks in Willamette Valley Will Be Enbluestern tirely Cleaned Up. bluestem fortyfold fortyfold elub "Hay farmers in the Willamette Valley have been unusually fortunate this season." said R. P. Knight yesterday. "Their grop was damaged in quality by rain last Sum-ner, but in spite of this they are getting rid of all of it, and at extremely high prices. California dealers have been buying hay Miay barley June barley June barley June barley PLOUR-D freely here, and up to date 1000 tons of grain hay have been shipped south. We are sending Valley hay as far east as Salt Lake, and are making large shipments to Southern Idaho and Eastern Oregon. Klamath Falls is also taking Valley hay. Stocks will be entirely cleaned up by the time the new erop entirely cleaned up by the time the new erop comes on the market. It will be the first times in many years this has happened in Oregon."
