

LAGRANDE RECALLS LIBERTY BELL VISIT

Union County People Stirred to Patriotism as on Only One Previous Occasion.

FLAG CROWNS LOFTY POLE

Head of Parade Marches Mile Before Last Section Starts—O. W. R. & N. Mechanics Provide Flag and Pole.

LA GRANDE, April 22.—(Special.)—Scenes unrivaled in patriotic tenor in the pages of La Grande's history were enacted this afternoon when this city and its surrounding territory unrolled itself patriotically and marched, spoke, sang, and shouted its unrelenting enthusiasm.

The raising of a huge flag bought and paid for by O. W. R. & N. Co. mechanics upon a 110-foot pole was the central number of the programme, but that which went before was likewise unique in the annals of Eastern Oregon.

A concourse of people surged upon the O. W. broad acres in the railroad yards and there beheld as only a patriotic people spurred to enthusiasm can act. In the first place the concourse reached proportions equaled but once before and that at the time the Liberty Bell was here.

Excursion Brings 200. A parade upon the principal streets, opening the afternoon's programme, brought together representatives of every walk of life.

But for the fact that she had on a pair of coveralls she would have been stung to death. As it was, her life was despaired of for 24 hours. Mrs. Thompson was severely stung on hands and face while rescuing the child. Both mother and babe are out of danger now.

BEE STING GIRL SEVERELY

Life of Child Despaired Of for 24 Hours Following Experience.

ECHO, Or., April 22.—(Special.)—The two-year-old daughter of Mr. and Mrs. Sloan Thompson narrowly escaped death on Thursday afternoon when attacked by a swarm of angry bees at their home on Butter Creek.

The mother was some distance away in the garden when the child attempted to wash its hands and the entire swarm became enraged. The child ran screaming to her mother.

When quiet was restored the school children led the vast assembly in the allegiance to the flag. After that Boy Scout sang and Attorney T. H. Crawford, of La Grande, spoke upon pertinent topics.

FARMS NEED ONLY LABOR

Montana Has Enough Seed Wheat and Potatoes for Crops.

HELENA, Mont., April 22.—Only a labor shortage, due largely to an unwillingness of city laborers to accept farm jobs, stands in the way of a maximum production of foodstuffs in Montana.

Plans were announced to increase the production of meat animals, to prevent butchering of lambs and calves, and to market fish from lakes of the state.

KLAMATH GREET SETTLER

Commercial Club Arranges for Free Jitney Transportation.

KLAMATH FALLS, Or., April 22.—(Special.)—Take a free ride to the Klamath Commercial Club and "Glad you came" are familiar signs on Klamath Falls jitneys today.

These signs have been placed upon the cars to attract the attention of the visitors and to show them that Klamath Falls welcomes.

PORTLAND WOMEN "HARD AT IT" MAKING AND PLANTING HOME GARDENS IN ANSWER TO PRESIDENT'S CALL FOR ECONOMIC PREPAREDNESS AND THE PRESURE OF THE HIGH COST OF LIVING.

VACANT LOTS TILLED

Portland Answers President's Call for Preparedness.

WOMEN PUT ON OVERALLS

Irrington Man Puts Potatoes Between Rose Bushes—Conservation League Lists Many Lots Available for Planting.

(Continued From First Page.)

ated vacant lot, where a few hours before the harrow had rattled over the ground within stone's throw of the streets.

Women Don Overalls.

In the Albina district, near West Emerson street and Albina avenue, a little group of women, headed by Mrs. C. J. Devereaux, 175 West Emerson street, chairman of the social service committee of the Portland Parent-Teacher Council, donned overalls, and with plow, spade, rake and hoe turned up the fruitful and virgin soil.

good weather the work should proceed with a vengeance from now on. This afternoon the county will give away several hundred sacks of seed potatoes.

The Sunday food preparedness activity was the first obvious concerted answer to the President's call for economic preparedness and the return to the rapidly soaring price of foodstuffs.

FATHER A. A. MOORE DIES

Pastor of St. Joseph's Church at Salem Passes at Age of 51.

Father A. A. Moore, pastor of St. Joseph's Catholic Church at Salem, and one of the best-known clergymen in the western part of the state, died at St. Vincent's Hospital yesterday after an illness of several weeks.

The body will be taken to Salem today for interment.

DYER IS CHALLENGED

Service Commission Backs Its Car-Shortage Figures.

CARS AVAILABLE IS BASIS

Direct Contradiction Is Made to Statement on Situation by Assistant Manager of Southern Pacific Company.

SALEM, Or., April 22.—(Special.)—The statement of J. H. Dyer, assistant general manager of the Southern Pacific, relative to car shortage conditions on that line was declared to be misleading in a statement issued Saturday by the Public Service Commission.

The Commission also declares that the figures which it has given to the public are correct. Mr. Dyer to the contrary notwithstanding.

One of the Commissioners today stated that Mr. Dyer's figures might be technically correct as to the number of cars within the boundaries of the state, but there might be a certain number of cars within the state at any given time, while at the same time the supply of cars for the use of shippers be greatly inadequate to meet the demand.

In the formal statement relative to Mr. Dyer's assertion the Commission says: "All figures which have been given out by this Commission regarding the car shortage on the lines of the Southern Pacific Company have been taken from the reports filed by the Southern Pacific in response to our request, and reflect the true car conditions, as shown by the figures which are furnished us, Mr. Dyer to the contrary notwithstanding."

"In regard to the car shortage on April 4, the Southern Pacific Company was short for loading 361 cars on that date. It is true that there were some cars upon the lines of the Southern Pacific Company which were not taken into account in arriving at this figure of 361, but those cars were loaded awaiting delivery and were not available to apply on unfilled orders. As far as availability for loading is concerned, they were no more available to relieve the demand for cars on that particular day than if they had been in the shops awaiting repairs, or had been under construction by car-builders. As far as the shipper was concerned who wanted and needed a car on that particular day, they might just as well have been out of existence."

White Salmon Sends Volunteers. WHITE SALMON, Wash., April 22.—

(Special.)—The White Salmon Valley is furnishing its quota of recruits for Army and Navy. Cecil Knapp has joined the Coast Guard of Hood River, Or. The following young men left Sunday night for Portland to enlist in the Navy, having already passed their preliminary examinations: F. E. Leek, H. L. Triplett, R. N. Peck and H. G. Williams. There are a number of others arranging their affairs so as to serve their country.

DAHLIAS TO BE PLANTED

Seaside Civic Club Arranges to Beautify Streets.

SEASIDE, Or., April 22.—(Special.)—At a meeting of the Seaside Civic Club it was decided to make arrangements for the purchase of dahlias to be planted in the parkways along Seventh street on the east side and on Third street on the west side of the Necanicum River. If sufficient funds can be raised several more streets will be lined with dahlias during the next month.

Seaside is fast becoming noted for the excellent quality of the dahlias raised and expert florists have informed the growers in this section that nowhere in the state can as healthy bulbs be grown as along the Pacific Coast. Plans are being perfected at this time to have Seaside named the "Dahlia City."

Three crops a year may be grown in the Canal Zone.

Working Under a Continual Strain? Does a Lame Back Keep You Worn Out All the Time?

MAYBE you have weak kidneys, a trouble that often follows grip, a cold, a fever, or a spell of worry, overwork or unwise habits. It shows in constant, dull, throbbing backache, or sharp twinges when stooping, lifting, getting up, or turning in bed, with headaches, dizzy spells, a tired, nervous state and irregular, abnormal kidney action. Don't neglect weak kidneys, or you run the danger of having dropsy, gravel, heart disease or Bright's disease. The kidneys are the blood filters and must work all the time to keep you in good health. Take things easier, follow regular habits, and take Doan's Kidney Pills, a remedy in use the world over, and recommended publicly in the U. S. A. by fifty thousand people. Doan's Kidney Pills are certainly worth a trial.

Here Are Several Portland Cases

- E. 47th Street. Mrs. Isabella Brown, 114 E. 47th St., says: "I have used Doan's Kidney Pills off and on for years and I owe a great deal to them for the good they did to me. When I was ill with kidney trouble and nothing would relieve me, Doan's Kidney Pills made a different woman out of me. They stopped the terrible pain in my back and corrected the trouble from kidney weakness that was six years ago, and ever since then I have been well."
E. 26th St. N. Mrs. Henry D. Wickard, 1093 E. 26th St. N., says: "I always had more or less trouble with my kidneys and kidney troubles when I got up sharp pains would run through my kidneys and my back was weak and lame. The action of my kidneys showed that they were disordered. I was glad to find Doan's Kidney Pills the right medicine for my case. They toned up my kidneys and the backache and pains ceased. Doan's Kidney Pills proved of great benefit to me in every way."
E. 24th St. E. Kestor, 243 E. 24th St., says: "I was out in all kinds of weather while working and occasionally took a heavy lift. One day my back gave out and I had a terrible pain just over my kidneys and a sort of throbbing sensation set in. My kidneys became disordered and at times were too frequent in action. I was not long in getting rid of the trouble after I commenced taking Doan's Kidney Pills. Two boxes cured me and since then I have never been bothered."
Nineteenth St. N. F. E. Dascomb, plumber, 314 19th St. N., says: "The constant jarring I was subjected to in railroad affected my kidneys so that I had to give up work. I was laid off every now and then with a bad back. It was the rapidly soaring price of foodstuffs that I couldn't stand over. Finally my condition became serious and the kidney secretions were disordered. Doan's Kidney Pills helped me right from the start. That dull, steady aching in my back had felt in my back was relieved and the kidney secretions became natural."
Haight Avenue. Fred Mural, prop. Eagle Market, 873 Haight Ave., says: "In spite of the different treatments I used and claims made by the doctors, I failed to get any results in trying to get rid of kidney trouble. I was greatly bothered by a steady pain that seemed to be digging into the small of my back. The least cold seemed to settle in the small of my back and caused soreness and stiffness. It was almost impossible for me to get around. Doan's Kidney Pills brought prompt and effective relief. In almost no time removed the entire trouble."
Tacoma Ave. Mrs. A. C. Leonard, 648 Tacoma Ave., says: "I was troubled by bladder weakness, which disturbed my rest. I tried Doan's Kidney Pills and found them to be just what I needed. They corrected the trouble and I had no further need to use them until this year. It may have been a cold that caused my back to ache and the bladder trouble to return. Doan's Kidney Pills again proved of benefit and I take pleasure in saying that they are a most reliable medicine for kidney and bladder complaint."

DOAN'S Kidney Pills. Every Druggist has Doan's, 50c a Box. Foster Milburn Co., Buffalo, N. Y., Mfrs.
