specialist examined her a few months ago, found the heart action normal, and there was no tremor in her finger tips. It has not yielded to treatment. She seems in good health. Would a blood builder help? Is thyroid extract a safe remedy?" remedy?"

### REPLY.

Enlargement of the thyroid in young women in whom there is ne disturbance of the pulse, no tremor, and no nervousness is not a serious matter. Sometimes the en-iargement is due to throat trouble; some-times to digestive trouble; at other times to pelvic trouble. Thyroid is rarely helpful in labor supply.
