# SUNDAY TO GET CALL

Portland Ministers to Try to Engage Evangelist.

FEDERATION IS CONSIDERED

Dr. Luther Dyott Heads Committee to Call Meeting of Representatives of All Churches in City to Develop New Idea.

The Portland Ministerial Association yesterday voted to press the claims of Portland on Billy Sunday for a series of meetings next Winter. They also considered the advisability of forming a church federation and appointed Dr. Luther R. Dyott chairman of a committee that will call a meeting of one minister and three laymen from each church to take up the plan.

Dr. Joshua Stansfield made the address of the day, explaining the good to be accomplished in the federation of

the churches. One benefit, he de-clared, would be in the elimination of the system that makes for "over-churching of one community and the under-churching of another."

Will Warren and E. N. Wheeler, can-

didates for Mayor, were introduced to the association by Dr. W. W. Youngson. They made no address, but were pre-sented formally. Mrs. Marcella Clark requested permission to speak for Will Daly as candidate. As the two men had made no speeches, the request was denied. Dr. R. E. Smith presided.

District Attorney Evans made a pleat for playgrounds in South Portland, urging the necessity of the cleaning up of Marquam Guich. This and several other matters that will come before the other matters that will come before the voters June 4 in various measures were discussed briefly and a strong appeal for the two-platoon system was pre-sented by Mr. Hembrep, of the fire de-

At the next meeting of the associa-tion officers will be elected. A nomi-nating committee appointed yesterday includes Rev. P. O. Bonebrake, Rev. Luther R. Dyott, Rev. S. W. Seeman, Dr. William Wallace Youngson and Rev. Harold H. Griffis.

Dr. Seeman, chairman of the Billy Sunday campaign committee, asked for an expression of opinion from the assoclation regarding the proposed meet-ings and as a result he received the unanimous indorsement of the ministers. The Chicago meetings, it was announced, have been canceled and Billy Sunday will go to Los Angeles in the Fall. Dr. Seeman said Mr. Sunday had written favorably of Portland and he thought the evangelist could be engaged for the company.

### BULLET PIERCES WINDOW

Home as Family Is Dining.

What is believed to be a stray bullet pierced the window of the home of M. G. O'Malley, 617 East Ninth street North, Sunday evening while Mr. and Mrs. O'Malley were eating dinner. Pa-trolman McCulloch investigated and

said, the hole appeared to have been made by a .22-caliber missile. A number of Chinese pheasants have been seen in the neighborhood of the O'Malley residence, but neither Mr. nor Mrs. O'Malley had heard any shooting.

ACADEMY TONIGHT.

In the rhythmic tramp of many feet echoing from the huge drill hall of the Hill Military Academy the trained ear might detect a lighter note than that of cadets in military evolution—for these were the girls of the Portland Honor Guard, learning to march in squads, in companeis, and learning the proper angle of a smart salute.
