Seems like every man is making tracks to this New Mathis Store. —And they are fully justified. —Here every man will find those many little conveniences that make shopping here a pleasure.

—Mathis QUALITY is assured in tie or top coat—in hose or hats. There must be "permanency" in the satisfaction of all Mathis goods. —We want you to call informally—today—or any time.

PARADE PLANS BACKED

MISS TOMLINSON TO HAVE CHARGE OF HOE BRIGADE SATURDAY. Miss Anne Shannon Monroe Will Precede at Unification Meeting at Lincoln High School.

The programme for the unification meeting at Lincoln High School Saturday night at 8 o'clock and for the "hoe parade" which will precede it from 7 to 8 o'clock has been completed.

The general plan for the parade is to have Miss Helen Tomlinson in charge of the parade. She will be aided by General C. P. Beebe and W. H. Crawford.

Mrs. Clara H. Waldo, regent of the Oregon Agricultural College, W. D. Wheelwright, Lionel R. Webster, William Hanley, Walter Pierce, of La Grande, and W. F. Kerr, president of O. A. C., will be among the speakers.

The parade will form at Tenth and Main streets and will include, besides individuals, foreign organizations, the Girls' National Guard, high school and grade pupils and, it is probable, some members of the National Guard. Everyone in the parade is expected to carry a hoe, symbolizing the gardening movement.

Organizations desiring to enter the parade should notify Mrs. Crawford at 513 Oregon building or Broadway 440.

FLOUR GOES UP \$1.50

BEST BRANDS ARE NOW QUOTED AT \$13.70 A BARREL. Eastern Prices Will Govern Here Because of Readiness of Millers to Take Available Supply.

Flour prices went up \$1.50 a barrel yesterday as a consequence of the sharp advances that have recently occurred in the wheat market.

The last change in local flour prices was on April 27, and since that date the wheat market has advanced nearly 30 cents a bushel. At the Merchants' Exchange yesterday \$1.50 was bid for milling bluestem, an advance of 11 cents over the best offer of Tuesday.

At Seattle, where competitive bidding by millers was keen, the advance was even greater and several cars of Turkey red wheat were sold at \$2 a bushel. The little wheat available in the Northwest, estimated at not over two per cent of last year's crop, will all be required by Coast millers.

Although the demand from now on will be entirely local, prices will naturally be governed by Eastern values, as buyers in that section stand ready to buy up the remnant of the Coast crops if they get the opportunity.

\$40,000 ASKED FOR DEATH

Father of Lineman Sues Portland Railway, Light & Power Co. The Portland Railway, Light & Power Company is the defendant in a damage suit for \$40,000 asked for the death of Howard L. Aumack, lineman, on April 18, near Mount Angel.

The suit was filed by L. N. Aumack, father of the victim. According to the complaint, Howard Aumack was ordered to climb a pole and release a ground wire. While he was thus employed the current is said to have been turned into the wires, with the result that he was electrocuted.

SCHOOL LEAVE IS DENIED

BOARD WILL NOT HOLD JOB FOR TRAINING CAMP CANDIDATE. T. Walter Gillard, Assistant Truant Officer, Gets Refusal, but Teachers' Places Will Be Kept.

T. Walter Gillard, assistant truant officer in the service of the School Board, has met with a refusal to his request to the Board for an indefinite leave of absence in order to attend the officers' training camp at San Francisco.

He was advised by letter by School Clerk Thomas that the request for an indefinite leave of absence was refused, as it is contemplated there may be a reorganization of the department in which Mr. Gillard is employed, and that should he return to work one, two or more years from now there might be no place to which he could return.

The directors say it is the established policy of the Board that teachers who leave regular positions to enter the service of the country at the present time will have their places held for them, a substitute teacher being employed for the position meanwhile.

O. A. C. CADET GETS ORDERS

W. A. Runyan, of Portland, Goes to Officers' Training Camp. Although orders arrived from the Western Department directing him to report to the Presidio training camp for the Officers' Reserve Corps, the name of W. A. Runyan, son of E. M. Runyan, of 329 East Thirty-second street, was not in the official list given out by the Western Department.

Young Runyan, who is an Oregon Agricultural College cadet in his third year at the institution, left Portland by steamer Saturday for San Francisco. Orders for him to report at the Presidio arrived Monday and were forwarded to him at San Francisco by his father. But whether or not he is one of those selected is something of a puzzle because of the omission of his name from the official list.
