

INTEREST SHOWN IN SWIMMING CONTEST

Championships to Be Held in Winged "M" Tank on Saturday Night.

WOMEN DIVERS TO VIE

Constance Meyer to Try to Regain National Title—Prominent Pacific Coast Swimmers to Be Entered in Events.

Three new entries from out of town came in yesterday for the Pacific Northwest Association swimming and diving championships, which will be held in the tank of the Multnomah Amateur Athletic Club Saturday night in conjunction with the National women's diving championships of the Amateur Athletic Union of America.

Emil Vojdovsky, of Eugene, will compete in the 100, 200 and 500-yard events. William Morrison, of the same city, will try to win in the 50-yard dash, and Mrs. George Palmer Putnam, of Salem, has entered in the 50-yard race for women. The 50 and 100-yard dashes will bring out some close competition between Frank McHale, Frank Lynstrum, Lewis Thomas, Ed Leslie, Al Matern and Myron Wiley.

Last night the women divers of the Multnomah Amateur Athletic Club took their last workout, and all of the girls are in fine condition. Constance Meyer wears a water-tight ear cap, which is sealed on under her bathing cap, so that the broken eardrum which she received in practicing a fortnight ago will not be injured again.

Mrs. Meyer contracted the injury on a "flying Dutchman" and a half. This dive is probably the most difficult acrobatic stunt made today, and has only been achieved by a few of the most daring women divers in the country.

It is not likely that Miss Aileen Allen, of Los Angeles, will appear to defend her National women's diving championship, which she won last season. If she were going to be here for Saturday night's events she would have arrived by this time. However, the swimming committee of the Multnomah Amateur Athletic Club still holds hopes for her appearance. Mrs. Meyer is the 1915 National women's diving champion, and Instructor Jack Cody predicts that she will recapture the title Saturday night.

Instructor Cody says that there will be a merry fight for places in the 200 and 500-yard races between Vojdovsky, of Eugene; O. J. Hestford, Wilsey, Jeff Harpke and one or two others.

There will be eight numbers on Saturday night's programme:

1. 50-yard dash.
2. Men's fancy diving contest from 10-foot board.
3. 500-yard swim.
4. 50-yard dash for women.
5. Plunge for women.
6. 200-yard swim.
7. National women's fancy diving championships, 10-foot board.
8. 100-yard dash.

Frank E. Watkins, Harry Fischer and R. L. Wing will be the judges. George L. Parker, A. B. McAlpin and G. Seaton Taylor will act as timers.

William Smyth will announce, George Anderson has been selected as clerk of course, Art Allen is the referee, while Instructor Cody will be the starter.

Frank E. Watkins is getting busy on a swimming meet to be staged north of the Broadway bridge during the Portland Rose Festival, June 13, 14 and 15, as an added attraction. The best women and men swimmers of the Multnomah Amateur Athletic Club and the best in independent ranks will be entered. Instructor Jack Cody, of the Winged "M" institution, is giving the plan the heartiest co-operation.

Probable numbers on the programme are:

1. Fifty-yard dash.
2. One hundred-yard dash.
3. Log-rolling contest for men.
4. Canoe-tilting contest for women.
5. Fancy diving contest for women.

Strong Team Being Lined Up by Captain Davis—Forest Watson, Potlatch Champion, to Take Part in Tourney.

C. H. Davis, Jr., captain of the Waverley Country Club golf team, received a list yesterday of the Tacoma Country and Golf Club players who will invade Portland on Saturday for an intercity tournament.

Sixteen or 18 of the strongest players of Tacoma are in the squad, including J. J. Dempsey and Karl E. Thompson, who at various times have held the city championships.
