## LECTURE TO HEAR LEIGH

Instructor in Government at Reed Will Make Recommendations.

Measures to be voted upon at the election next Monday will be discussed before the Oregon Civic League luncheon at the Multnomah Hotel tomorrow noon. Robert D. Leigh, instructor in "government" at Reed College, will speak on the different acts before the people and will make recommendations. The league has already discussed a

number of pending measures. There remain 23, however, to be brought before the league for consideration.

## Women Urged to Study Dietetics.

SAN FRANCISCO, May 26.—Mrs. Herbert C. Hoover, wife of the former chairman of the Belgian Relief Commission, told the women of this city to eat brown bread three times a day as one of the means toward the solution

of the bread question. She urged upon them the study of dietetics, as it would make them better qualified to handle their own households as well as enhance the value of their Red Cross work.

The right to vote in provincial and municipal affairs has been granted to the women of Ontario, Canada.
