THE MORNING OREGONIAN, MONDAY, JUNE 11, 1917.

It's toasted

YES, just the same as your delicious, brown, butteredhot morning toast. The tobacco -it's toasted.

This toasting has given you the real Burley cigarette at last. Until now it couldn't be made; now the toasting holds the flavor and keeps the cigarette fresh.

Of course you'll want to smoke the real Burley cigarette-because it's Burley, toasted. Burley is "blame good" tobacco; and you smokers are for it.

Begin trying it today: Lucky Strike, the real Burley cigarette -it's toasted.
