Portland and Los Angeles players rushed to his assistance, and when they got Jacques to his feet he looked like a victim of the Messines Ridge. Dr. first aid, said afterward that Fournier ind received a severe wound on the cheek bone, but not serious, however. TTTHEN bread is made into fresh.hot-buttered toast, it has more flavor.

Toasting puts more flavor into most good things-scals it in, so to speak.

And toasting puts more flavor into Lucky Strike cigarettes; the tobacco-it's toasted.

Better still it's Burley tobacco -toasted. Lucky Strike is the real Burley cigarette-something absolutely new in cigarette flavor.

This toasting not only gives Lucky Strike cigarettes flavor but keeps it there-seals it in. They're always fresh.

And because everyone has been wanting real Burley cigarettes, everyone has been buying themlook at all the Lucky Strike smoke circles.
