PROUGH BEST PITCHER

OAKS HURLER RESPONSIBLE FOR ONLY 1.57 RUNS A GAME.

Kremer, Teammate, Is Second and Smith and Erickson, of Seals, Close Behind. Beavers' Showing Poor.

Clinton Prough, of Oakland, is the best pitcher in the Coast League this year when it comes to a rating of pitchers on the average number of runs for which they are responsible per nine innings.

Indian Smith, of San Francisco, and his teammate, Olaf Erickson, are next in line as the most effective pitchers under this rating.

With Mails deserting the Beavers for shipbuilding, Portland is left without a pitcher anywhere near the top of this system of rating the slabsters.

Mails, in 50 innings, was responsible for 2.18 runs per nine innings, but with him gone the best Beaver bet is way down the line.

The following records show the total innings pitched, the total runs for which each pitcher has been responsible, and the average number of runs for which each pitcher has been responsible per nine innings.

When you do try it, you'll get a better, quicker, easier shave. You'll do it without rubbing the lather in. That is quite a statement. Your first shave with Mennen's will prove it. So try it. The truer profits by his faith, because he finds out better ways of doing things. That's why people abandoned the horse for the motor car as a means of getting to places rapidly. That's why thousands of men have taken to Mennen's in preference to antique shaving soaps.'
