AUXILIARY TO COAST ARTILLERY CORPS PLANNED.—As the Coast Artillery Corps is to be called into active service soon, it is felt that an auxiliary should be formed to look after the needs of the men of the Eighth Company Coast Artillery Corps and the Coast Artillery Corps Band. A meeting for this purpose has been called for Friday at 3 P. M., in room E, Public Library, and the mothers, wives and friends of members of these companies are asked to be present at that time to perfect a permanent organization and determine the work to be done. Adjutant-General White and Lieutenant E. T. Stretcher will be present to address the meeting and explain the needs of the soldiers when away from their homes.

SEALED PROPOSALS will be received at office of undersigned, 601 Courthouse, until 1 P. M., Thursday, July 19, for heating and ventilating of third unit of Franklin High School. Bids will be opened in room 204 Courthouse, 4 P. M. same day. Deposit of \$10 is required for plans and specifications, which may be obtained at office of F. A. Naramore, superintendent of properties, 203 Courthouse. Certified check for 10 per cent of amount of proposal, payable to R. H. Thomas, school clerk, must accompany each proposal. Board of directors reserves the right to reject any and all proposals. R. H. Thomas, school clerk. Dated June 27, 1917.—Adv.

PAYOR IS NOT RECOVERED.—Earle Smith will meet at Liberty on Monday after it was shown yesterday to President Judge Kavanaugh that the young man had made provision to repay his former employer the total amount he admitted having embezzled. Smith was indicted last fall for embezzlement of \$800 from his employer and was at that time paroled on his promise to repay the amount. Several days ago representation was made that he had failed to live up to his promise and an application was made to revoke the parole. On motion of Deputy District Attorney Pierce, Judge Kavanaugh yesterday decided to hold the entire matter in abeyance.

QUESTION OF FEE CAUSES INQUIRY.—Haggling over an automobile rental cost N. O. Anderson, a salesman living at the Multnomah Club, a couple of fractured ribs, according to a story he told yesterday to Deputy District Attorney Despard. Anderson said that an auto driver named Smith cracked him in the ribs with an iron casting when he objected to a charge for auto hire. A John Doe warrant was sworn out for the auto man's arrest on a charge of assault with a deadly weapon.

SHIP PLANTS NEED FIRE PROTECTION.—Better fire protection for the ship building plants of Portland is to be made the subject of an extensive investigation by Fire Marshal Young. He expects to go into the question of plants exercising greater care and also the organization of fire fighting forces among the employees. The ship plants have been examined by Marshal Young and he says there are some where there is room for considerable improvement.

NO BIDS RECEIVED FOR IMPROVING STREETS.—Twice lately the city has tried without success to get bids for the improvement of Arthur street from Front to Second street in the South Portland district. Bids were to have been opened yesterday but none was received. City Engineer Dater was unable to explain why contractors have refused to bid for the contract unless it is that they are all too well supplied with contracts of other kinds at this time.

DENVER AVENUE WORK TO WAIT.—Agitation for the widening of Denver avenue will have to rest until the new City Council takes office at which time the project will have to be petitioned for the improvement and start proceedings against the city. Council yesterday voted to kill proceedings for the improvement, thereby leaving the proposition up to the property owners to petition again if they still favor the project.

FISH PEDDLER'S MOTOR OVERTURNED.—"Dad" Hockinson, fish peddler of Graham, who supplied his trade by means of a one-horse vehicle for years, yesterday undertook a new method of locomotion—a light automobile, and came to grief on his first day out. His machine careened down an embankment at a narrow place in the road and turned over three times. Mr. Hockinson's thigh was broken. He was taken to a hospital. The accident occurred about 3 o'clock.

STATE INSURANCE TO BE USED.—Department heads of the various county departments conferred yesterday with the County Commissioners relative to the terms of the state compensation act. The board expects to apply for insurance under the state act by the first of August and it is now endeavoring to determine just what classes of employees shall be thus insured.

CHARLES W. PARCELL, NOW LIEUTENANT.—Charles W. Parcell, formerly a bookkeeper in the United States National Bank, has been commissioned a Second Lieutenant in the United States Officers' Reserve Corps now in training at the Presidio in San Francisco. Lieutenant Parcell lives at 283 Vancouver avenue and has a wide acquaintance among bankers and business men.

ROOTLUGGER FINED \$500.—Federal Judge Wolverton yesterday fined Steve Craig \$500, after Craig had pleaded guilty to smuggling liquor into Oregon. J. M. Craig, father of the defendant, will be tried next week. He is alleged by the Government to have been in charge of liquor smugglers, of whom four have pleaded guilty and been fined or sent to jail.

DROWNING REPORT IS EXAGGERATED.—The report that an 8-year-old boy had been drowned in the Willamette River Tuesday morning, proved to be a mistake. Herbert Harold Smith, 12½, Crosby street, told the police that his playmate, Herbert Osborne, had fallen in the river from the sand dock at the foot of Halvey street. The Osborne boy was found at his home yesterday.

BOZORTH FAMILY RUINON PLANNED.—The members of the Bozorth Family Association will hold their 13th annual reunion at Vancouver, Wash., Saturday, in the Knights of Pythias Hall.

New Rural Route to Open.
CASTLE ROCK, Wash., June 27.—(Special.)—A decision of interest to the farmers living at some distance on the west side of the river has just been reached by the Postoffice Department and made known to Congressman Johnson in a letter from James I. Blakeslee,

Fourth Assistant Postmaster-General, which provides that the establishment of service on Rural Route No. 3 has been authorized to become effective September 1 from Castle Rock, with daily except Sunday service, as soon as approved boxes are erected.

ZONE SYSTEM TO BE TOPIC

Oregon Society of Engineers Will Meet Tonight.

The zoning systems of cities will be the theme of the principal talks at the monthly meeting of the Oregon Society of Engineers at the Library in room A tonight.

A. G. Clark will present the plans and objects of the Home Industry League, of which he is manager.

H. E. Plummer will tell why the proposed building code of the city of Portland contains provisions for limiting the heights of buildings.

F. B. McNaughton will speak of "City Zoning and Industrial Development."

Ellis P. Lawrence has for a subject "City Zoning and Planning, With Special Emphasis on the Architectural and Aesthetic Features."

J. J. Sayer will give the views of the Portland Building Owners and

Managers' Association on "Zoning as Applied to Portland conditions."

C. Lewis Mead, representing the Portland Realty Board, will also speak. This will be the last regular meeting until Fall.

ALL RIVERS ARE FALLING

Prospect of Cloudiness Reduces Chance of Sudden Rise.

Despite higher temperatures in the interior over those recorded Tuesday, yesterday's reports are not discouraging to Assistant District Forecaster Drake, relative to river stages, and he says the stream here continues to fall at the rate of two-tenths to three-tenths of a foot each day.

Warm weather, he expects, will be experienced today throughout the region where snow remains, but conditions last night indicated that cloudiness would develop there tonight, with consequent cooler temperatures. The official river readings yesterday were:

FRAUD WATCHER WANTED

Dr. McKay Asks for Investigator for Relief Work.

Dr. Harry McKay, county physician, yesterday recommended to the County Commissioners that Thomas Cowling be employed as a special investigator for the county relief department at a salary of \$25 a month, with the understanding that Mr. Cowling would furnish an automobile to be used in his work. Dr. McKay wants Mr. Cowling to investigate all cases for medical and hospital relief that fraud may be lessened.

The recommendation was taken under advisement, although it is understood that the board will permit the employment of another man in that department.

AL KADER GOING TO SALEM

Nobles of Mystic Shrine to Make Pilgrimage and Receive Novices.

Al Kader Temple of the Mystic Shrine, in full regalia with band, patrol and divan paraphernalia, headed by its past potentates, will set forth on a pilgrimage to Salem Saturday, where it will hold a ceremonial session and lead a big class of novices across the hot sands.

The caravan will go by special train over the Oregon Electric at 12:45, Saturday, and on arriving in Salem will parade and give a band concert. A short business session will be followed by an automobile trip about the city. A banquet at 6 o'clock will be the preliminary to the ceremonial, which will be held in the Opera House.

HEAD OF VETERANS COMING

D. V. Chisholm, Commander-in-Chief, Visits Portland July 3.

D. V. Chisholm, commander-in-chief of the United Spanish War Veterans, is to pay an official visit to Portland Tuesday, July 3, which the invitation committee, of which Frank E. Weed is chairman, plans to make a gala event.

A parade of about 60 automobiles, leaving the Courthouse at 10 A. M., will be escorted over the Columbia River Highway by Roadmaster Yeon. A banquet, in charge of the Ladies' Auxiliary, will be served at Eagle Creek Park on the highway, about 44 miles from Portland. In the evening an informal reception is to be held at the Multnomah Hotel.

CARS CRUSH OUT LIFE

J. F. Cuddeback, Employee of Twoby Bros., Killed Near Tunnel.

J. F. Cuddeback, an employee of Twoby Bros., was instantly killed yesterday morning by a dirt train near the O.W.R. & N. tunnel. He was caught between two cars and his head badly crushed. Both cars were broken. Mr. Cuddeback resided with his wife and 11-year-old daughter at Twenty-eighth and Sandy boulevard. Coroner Smith will make an investigation today.

MRS. HUBER IS DEAD

Heart Failure Causes Sudden and Unexpected Demise.

SHOCK TO FRIENDS GREAT

Slight Indisposition Tuesday Night Pronounced by Physician to Be Nothing Serious—Midnight Brings Unconsciousness.

Mrs. Emma Sherlock Huber, wife of Oskar Huber, died suddenly at the family residence, 41 North Twenty-first street, early yesterday morning. Death is believed to have been caused by

heart failure, and was entirely unexpected. It was preceded by a slight indisposition Tuesday night, but a physician's examination revealed nothing serious, and Mrs. Huber was thought to have recovered her usual good health when she retired. At midnight she became unconscious and passed away soon after.

The death of Mrs. Huber came as a great shock, not only to the immediate family but to her many friends in this city. On Tuesday night she chaperoned her two youngest daughters, Misses Winnifred and Elizabeth, to a dance at the Waverley Country Club. It was while there that she was overcome by a fainting spell, but she soon after recovered from it.

Mrs. Huber had long been prominent in Portland's social life. She was the daughter of Mr. and Mrs. William Sherlock, heads of an old pioneer family, and was born in this city 51 years ago. She is survived by her widower and three daughters, Mrs. Dorothy Koehler and Misses Elizabeth and Winnifred. Huber's five sisters, Mrs. Olive, Mrs. John Meisick, Mrs. W. Otto Broymann, Mrs. Sophia Walters, Misses Anna and Charlotte Sherlock.

The two youngest daughters of the Huber family returned only last week from Dana Hall, where they have been attending school. They had as their house guest Miss Peggy Miller, of Providence, R. I., and Mrs. Huber, her two daughters and their guest expected to leave for their Summer home at beach within a few days to spend the rest of the Summer there.

Mrs. Huber had lived in Portland and Spokane all her life. She was a member of Trinity Episcopal Church. No arrangements for the funeral had been made yesterday.

FOREST CAMPS POPULAR

2000 Register in Ten Days at Eagle Creek.

Two thousand campers signed the campers' register at Eagle Creek in the past ten days, according to Charles H. Squire, of the Chief Forester's office, Washington, who is in Portland on an official visit. On Sunday, June 17, 1500 persons visited Eagle Creek, and 200 automobiles were parked along the Highway.

Last season Mr. Squire's records show 20,000 people visited the Columbia River Highway, from 30 states and 12 different countries.

Mr. Squire carefully inspected the Columbia River Highway, and especially the beautiful camp sites in the Oregon National Forests at Eagle Creek Park. Of the Highway, Mr. Squire says simply that it is in his opinion the most wonderful scenic drive North America.

Mr. Squire leaves soon for Seattle.

CAMPERS WILL BENEFIT

New Recreation Trail Completed by Forestry Service.

The forest department has completed the new Wauna Point trail, from Eagle Creek, on the Columbia Highway, to Wauna Point, over five miles, in the Oregon National Forest. Ranger C. C. Hon superintended the work.

The trail touches two new camping grounds, will be used by fire scouts, and attains an altitude of 3000 feet above the Highway. Looking down the gorge it is possible to see as far as Crown Point, while Hood River is plainly visible to the east.

Creek gives access to a number of fine camping grounds on the west side of that stream.
