AUDITORIUM WILL BE OPENED TODAY

Fine Programme Arranged for Introducing Public to City's $600,000 Hall.

NOTE WILL BE PATRIOTIC

Building Declared Unusually Attractive and Large Audience is Expected at Dedication. Event starts at 10:30 a.m.

FACTS ABOUT TODAY'S DEDICATION OF THE NEW AUDITORIUM:

Building opens at 10:30 a.m. Admission gratis to all. The entire programme is made for sermon, song, and entertainment by all the choicest talent of the city, and all forms of public entertainment will be present in the largest possible degree.

The programme will be a fitting dedication of the beautiful new home of the city, which is located on the west side of Portland Street, between First and Second avenues, and is the largest and most handsome auditorium in the West.

Record Not Clear

Mr. Muck Thinks Minutes of Bridge Meetings Changed.

Typing Seems Different

County Commissioner Dies. He Ready to Fight in Eastitch to Prevent Unfair Distribution of Salt Frolics.

Altered Registering with the county commissioners is the result of a fight over the registration of the county's salt fricities, and the result will be a change in the minutes of the meetings.

In an examination already made, the county commissioners found that the register of the county's salt fricities was altered and that the minutes of the meetings had been changed.

BATTERY B FORMING

New Field Unit Explores Early Service in France.

"BE VOLUNTEER" IS SLOGAN

National Guard Officers Desire to Fill Regiment to Render Men Reimbursed on Their Service.

Have you enlisted yet in Battery B of the Portland Guard, which is now forming a new battalion of the United States Army?

The officers of the battery are desiring to fill the regiment and are ready to render men a fair reimbursement for their service.

ITALIAN SURGEON IS ANGRY

Alleged Interference of Mr. Torres on Reservist's Vote.

The Italian surgeon was angry when he heard that Mr. Torres was interfering with the vote of a reservist in the city.

Driver Falls 60 Feet

D. H. Mills, driver for the West Side Bridge Company, was killed when the car he was driving went over the bridge and fell 60 feet into the water of the river.

Lecture Series Changed

Sumner School to Address During Convention Week.

A change in the schedule of lectures for the convention week has been made, and the Sumner School will address during the week.

Home Products Week

At the Meier & Frank Store July 9th to 14th

To the Manufacturers of Oregon:

We desire to offer you, free of charge, space available in our store, for the purpose of demonstrating the manufacture and exhibition of Home Made Products during Home Products Week, July 9th to 14th.

It is the desire of the Meier & Frank Company to take this opportunity, while there are so many visitors in the city (N.E.A. Week), to assist the producers of this community and the state at large in showing the superior character and quality of merchandise and articles made in Oregon, thereby increasing the demand and making for a bigger and better city and state. Apply for space at once. Office, 6th floor.
