National Guard Officers Desire to Fill Regiment to Replace Men Discharged Because They Have Persons Dependent.

MEDFORD, Or., July 3.—(Special.)—Acting upon the suggestion of their pastor, Rev. F. W. Carstens, the congregation of the Eaptist Church sent a night letter to Senator Chamberlain Sunday praying that the Oregon Senator do everything in his power for Nation-wide prohibition.

Mr. Carstens urged the members of his congregation to practice economy in their households and to aid in the conservation of food throughout the Nation. He declared the waste of grain in the production of beer, as well as spiritous liquors, should be stopped, so that the war against German militarism could be pursued with the maximum

room in Company B for a large number of men.

The Third Oregon Infantry also needs 50 men. Those who enlist today for this crack regiment will be sent at once to Clackamas and their pay will begin immediately. The Third Oregon has twice been to full war strength, but each time the discharge of men having dependent relatives has left several vacancies. The Third Oregon enjoys the distinction of being considered by Army men as one of the best-drilled, best-equipped and best-officered National Guard regiments in the whole United States.

Captain Cleero F. Hogan, who is in charge of the National Guard recruiting station at 105 Fourth street, yesterday enlisted 14 men. He was assisted in his recruiting work by First Lieutenant Johnson, of Battery A, and by Sergeant Petrick, United States Field Artillery, who is sergeant instructor for the Oregon Field Artillery.

Diamond C., one of the bucking horses, furnished the headline thriller of the day when, after dumping "Pee Wee" Holmes, of Los Angeles, by vicious bucking, it turned a complete somersault. Holmes, introduced as the smallest bucking horse rider in the world, is said to have received \$500 recently for impersonating a famous motion picture actress in a fall from a runaway horse, and did not do the job as well as he did his involuntary fall today.

The Red Cross squad in attendance performed its first service today when Olive Osborn of Union, Or., had to be carried from the field after a hard fall when attempting to ride Gray Devil, one of the buckers. She recovered later, but was unable to participate in any further events. Attempting to ride a Roman race with an open girth, John Tayche, of Pendleton, suffered another bad tumble. One rider was kicked today and several were thrown hard, but no serious injuries were suffered.

The bucking was high class against the same firms and for the same accident.

MoAtee said he was badly injured dict returned yesterday at the conclusion of the personal injury trial before Circuit Judge Phelps. In the same case Andrew McAtee won a verdict of \$1582 against the same firms and for the same accident.

McAtee said he was badly injured when a truck operated by the Chinese company ran into him. W. Lorenz died as the result of injuries suffered in the accident.
