END OF PROHIBITION FIGHT IS IN SIGHT

Senate Agrees to Take Up Section Today.

LIMIT TO BE PUT ON DEBATE

Administration Compromise Is Favored in Test Poll.

BUYING POWER EXTENDED

Increased Effort to Be Made to Secure Government of Authority To Regulate Coal Prices—East St. Louis Hats Taken Up.

WASHINGTON, July 8.—With a view to the elimination of unneeded coal being burned by waterways, recent lack in

the prices of coal and an almost complete stagnation of the prohibition section and of any legislation for the regulation of prices, a bill at 11:00 this afternoon, Senator Wilson, Democrat of Washington, introduced a bill before adjournment today. It is the first step toward the

limiting of the buying power of coal.

WASHINGTON, July 8.—The Senate adjourned today.
