TUB SUITS.

These suits will not shrink from the tub. They are made for good looks, good wear and good tubbery.

Sailors, Middy, Military, Beach or "play suits." Price—\$1 to \$4.

And for the bigger boys, everything that's good for the Summer season.

Regardless of all this something-for-nothing stuff the newspapers are printing in big space and "scare" type, it is plainly apparent that discriminating men and young men find real satisfaction and lasting economy by choosing garments made by KUPPENHEIMER.

They find them the most their money can buy. Palm Beach and Air-O-Wave suits at \$10 and \$12; light and medium weights as low as \$20.

The quality goods in the windows—with money-saving prices—of this store are but a slight indication of how far your dollars can travel in value-direction when used at a specialty store of the caliber.
