ANARCHISTS DRAW **2 YEARS IN PRISON**

Emma Goldman and A. Berkman Must Pay \$10,000 Fine and May Be Deported.

DEFIANT TO LAST

Court Accused of Prejudice and Com plaint Against Beginning of Sentences at Once Is Bitter. Both Born in Russia.

NEW YORK, July 9 .- Emma Goldman and Alexander Berkman, anarchists, convicted here tonight of con spiracy to obstruct operation of the selective draft law, started for prison in the custody of Federal Marshals a few hours after the verdict had been Berkman will be taken to the Fed-

eral penitentiary at Atlanta, Ga., and Miss Goldman to the state penitentlary at Jefferson City, Mo. Each was sentenced by Federal Judge Mayer to the maximum penalty of two years' imprisonment and to pay a fine of \$10,000.

Deportation Is Possible.

In addition to the severe sentence. Miss Goldman and Berkman are liable to be deported. Berkman is not a citizen and Miss Goldman claims citizen-

ship only on her father's application.

The jury deliberated 40 minutes and as they filed into the courtroom'it was expected, if their verdict was against the prisoners, a demonstration would be made by many anarchists present. There was no disorder, however, and when Judge Mayer passed sentence the anarchists appeared to be completely

In sentencing the prisoners, Judge Mayer said he regretted they had not put their abilities to better use, since they could have been "highly influencing elements in imparting knowledge to the foreigners who come here." He added the Government "Is part of our lives and we are part of its life, and so it shall remain the greatest stan-dard in the world of true democracy." Woman Wants Verdlet Rejected.

Miss Goldman asked to have the verdict set aside on "all the grounds and all the formalities." It was arranged that time would be allowed the con-victed anarchists to make the formal

The prisoners' pedigrees were taken. Berkman saying he was born in St. Petersburg, 41 years ago. Miss Goldman gave her birthplace as Kovno. Russla. She said she is 48 years old. "We were convicted because we were anarchists." Berkman said. "We were convicted out of prejudice."

"The very fact that we were denied a few days' relief is because we are anarchists." Miss Goldman declared. "and it shows the prejudiced attitude to west and north of Stanislau, about 18 miles south of Halicz, on the Lemberg-Czernowitz railway, the Russians have taken Jezupol, eight miles sains have taken Jezupol, eight miles south of Halicz, and four villages be-

"and it shows the prejudiced attitude of the court. We were frank and out-spoken and we stood by our opinions."

Both Are Defiant. The prisoners were in a defiant mood

when they departed. Marshai McCarthy permitted a few friends to tell them good-bye and as they were being put into a patrol wagon Berkman said: "We are going straight to Petrograd by way of Atlanta and Jefferson City. Wa're elad to go."

"We are anarchists now and anar-chists we will be when we come out," she shouted as they were driven away.

SALEM AMENDS CHARTER

Reassessment on Street Improvements Is Among Changes.

German efforts to reach the line of the Chemin des Dames. The German Crown Prince has been reckless in his expenditure of men, but all to no avail, on at as the French still hold tight to the SALEM, Or., July 9 .- (Special) Att three charter amendments voted on at as the French still hold tight to the special city election today apparently carried by a heavy majority, according to nearly complete returns tonight.
The amendments provide for a sys-

The amendments provide for a sys-tem of re-assessments on street im-provements and companion provisions relative to handling delinquencies and remonstrances as to such improve-

The necessity for the election grew out of the recent Supreme Court de-cision, which found paving notices faulty as to certain streets, and relieved property owners of payment.

The election was preceded by three weeks of bitter campaigning, which drew many of the leading men of the to take the stump either for or against the amendments.

FORT WORTH, Tex., July 3.—(Special.)—All Fort Worth was shocked on the morning of June 3, when the news was flashed over the city that Zella Faulk, pretty North Side girl, had been found foully murdered in the shadow of Greenwood Cemetery.

Her throat was slashed, her clothes torn and her body mangled. For some days no definite theory as to the perpetrator of the deed could be found, but more and more the conviction grew that Coates had some connection with it. An automobile collision at East Eighteenth and Bybee streets at 9 o'clock last night resulted in severe damage to one of the machines. F. E. Chambers, of Eugene, was driving one of the cars, and had with him A. F. Fiegel, of the law firm of Fiegel, Reynolds & Fiegel. In the other machine was a Mrs. Koontz and her two sons, aged 20 and 11 years. The Koontz machine was badity damaged and had to be

He disappeared from the city on the morning following the murder. He was traced by officials and located at was traced by officials and located at one time in Oklahoma, but disappeared before he could be apprehended. An-other rumor was that he had been seen in Spokane, Wash, and later the news came that he was in the vicinity of Portland, at which place he was finally apprehended.

The theory of local officials had been that lealousy was the cause of the

brutal that has come to the attention of Fort Worth police in years. The head was nearly severed from the body by a ghastly wound, that went from ear to ear, and the skull was crushed as by a blow from a heavy club.

J. C. Horn found the body early on the morning of Sunday, June 3, while walking through the woods about 400 yards northwest from the corner of Greenwood Cemetery.

All about the body the ground gave muts evidences of the young girls desperate struggle for her life.

The ground was beaten and trodden as if a long and fierce fight had taken place before the assassin's knife

den as if a long and flerce fight had taken place before the assassin's knife traced a cruel path of death across the girl's throat. The victim's clothing was little torn. However, from the nature of the wounds and other circumstances surrounding the murder it was thought by some that the girl had been first hit on the head and then cut on the throat.

IDAHO GOVERNOR SAYS TROOPS NOT NEEDED TO CURB I. W. W.

Chief Executive Tells Defense Council if Sheriffs Cannot Enforce Law He Will Find Men Who Can.

WASHINGTON, July 9.—The Administration bill to prohibit trading with Germany or her allies during the war was taken up by the House today and such progress made that passage is expected not later than Thursday, General debate was concluded without developing indications of a prolonged fight when the measure is taken up later for consideration of amendments. Representative Lenroot, of Wisconsin, led the opposition to the bill, maintaining that some of the provisions to prohibit neutrals from trading with the enemy or enemy allies, while doing business in this country, were in direct

from which noisy arguments had been coming for more than an hour. "I have instructed James Hanson, my

The corn crop which, with favorable weather from now on, may equal the bumper yield of 1812, shows an increase of 541,000,000 bushels over last year, with a total of 3,124,000,000 bushels over last. The acreage is 14 per cent larger than last year.

The combined Winter and Spring wheat crop will be 28,000,000 bushels more than last year, with a total of 578,000,000 bushels.

Barley, with prospects for the third

Barley, with prospects for the third largest crop ever grown, will exceed last year's production by 33,000,000 bushels, with an output of 214,000,000 bushels.

Outs promise to exceed last year's crop by 201,000,000 bushels, the total production being forecast at 1,453,000.000 bushels. That is slightly under the record. Improvements between now and harvest, however, may result in a record crop.

White potate production on a 22½ selected in the law by the regular civil authorities.

Ex-Governor Frank Gooding, a member of the Council, appeared to take the lead in presenting the Council's attitude. He was hotig answered by the Governor. Gooding said that the people of North Idaho were not different from those of Montana and Washington; that the Industrial Workers of the World were intimidating ment of the law by the regular civil authorities. A committee amendment making.
A committee amendment making unlawful to transmit any letter or other message, picture, diagram or map to the enemy was explained by Representative Esch, of Wisconsin, as a precaution against the versatility of the German spy system.
