booklet of autobiographical letters published by Mrs. Nina Churchman Larowe, to be sold for the benefit of the Third Oregon Ambulance fund, went on sale yesterday at the special booth in Meier & Frank's store. Mrs. Larowe will be at the booth daily between 11 o'clock and 5 o'clock every day until the books are sold. There are 1900 copies and the entire proceeds will be turned into the fund, Mrs. Larowe paying for the publication. The booklet was compiled from letters published in The Oregonian several years ago and at the request of many readers who wanted the letters in book form.

The larowe gauge transportation service. This is indicated by the improvement in the "car shortage" situation. Mr. Sproule's report says:

"The unfilled car orders May 1 were 143,527; June 1 they were 106,549, and July 1 they had been reduced to 77,-144. a reduction of nearly 66,500 unfilled car orders in 60 days. As its first important official act the railroads should give preference to the movement of coal. In June the railroads hauled 750,323 cars of bitumineus coal, or an increase of 155,700 cars, equal to 26.3 per cent more than last year." Larowe, to be sold for the benefit of

UNFILLED ORDERS NEARLY 50 PER CENT LESS IN 60 DAYS.

Railroads Respond Promptly to Government Appeal for Maximum Transportation Efficiency.

Unfilled car orders in the United tates were reduced nearly 50 per cent in the 60 days ending July 1, accordog to compilations made yesterday by William Sproule, president of the southern Pacific and chairman of the Western department of the railroads'

......... All roads in the country are represented on this board, which aims to co-operate with the Federal Government "to realize the maximum of transportation efficiency in the inter-

A party of more or less prominent real roads already have effected extraordinary improvement. For all classes of freight, the report points out, the railroads are providing much more nearly adequate transportation service. This is indicated by the improvement in the "car shortage" situation. Mr. Sproule's report says:

"The unfilled car orders May 1 were 145,527; June 1 they were 106,569, and July 1 they had been reduced to 77, 144. a reduction of nearly £6,500 unfilled car orders in 80 days. As its first important official act the railroads war board directed that railroads should give preference to the movement of coal. In June 1 the movement of care stated men left Portland over the North Bank road last night for Military in classication. Included in the party were: Fred Strong, J. O. Earls, Vicentary of the Portland over the North Bank road last night for Military in care the movement of care stated the annual convention of the Portland over the North Bank road last night for Military in order the North Bank road last night for Military in care the movement of care stated the annual convention of the party were: Fred Strong, J.

Patrolman Elliott arrested him and
reported that Abe had acquired the
most "beautiful bun" of his long career.

KNIGHTS TO GO ON PICNIC

Members and Friends Looking Forward to Day of Keen Enjoyment.

Members and friends of the Port-and Council, Knights of Columbus, are ooking forward to the fifth annual picnic, to be given July 29. Unlike pre-vious years, the Knights have decided on a river trip this time and have chartered the excursion boat Swan for the entire day. The boat will leave at 3:15 A. M. and return at 8:30 P. M. Besides all the amusements and games of the past outings, a new feature in the shape of aquatic sports and contests will be an added attraction this year. No doubt the weather will be hot at that time and many of the plonickers will bring along their bathing mits for a good plure in the Columnia. suits for a cool plunge in the Colum-bia. A delightful site has been secured along the shore for landing the boat during the afternoon.
