

OREGON MOBILIZES ALL TROOPS TODAY

Officers and Men Ordered to Report at Their Armories Promptly at 6 o'Clock.

EQUIPMENT IS SHORT YET

Seven Hundred of 2500 Not Provided With Uniforms, Etc.; Coast Artillery Goes to Fort Stevens, Others to Clackamas.

Troops of the Oregon National Guard, 2500 strong, will mobilize today. Every officer and soldier has received his preliminary instructions, which call for the assembly of all troops at their home armories promptly at 6 o'clock this morning.

The next step will be their concentration within a few days at Fort Stevens, near the mouth of the Columbia River, and at Camp Withycombe, Clackamas, Or.

The men of the Oregon Coast Artillery will proceed as soon as possible to Fort Stevens, where they will drill with the big guns. It is the general feeling that men in this branch eventually will see service in France in the handling of heavy field artillery.

The other troops mobilizing today will be sent to Camp Withycombe, to remain until equipped. Fully 700 of the men have no uniforms, no equipment of any kind, and not even mess kits.

Equipment Causes Change. It was for this reason that the previous orders issued by the War Department that they should proceed to the cantonment at Palo Alto, Cal., were changed to provide for their staying at Camp Withycombe, where the Third Oregon Infantry has been in camp for some months, until they are really in readiness to move.

The troops assigned by today's mobilization include the 12 companies of the Oregon Coast Artillery, with the headquarters, band and sanitary troops attached; headquarters and Troops A, B, C and D, First separate squadron, cavalry; headquarters and Companies A, B and C, First separate battalion, Engineers; Field Hospital No. 1, and separate Batteries A and B, Field Artillery. Of the Coast Artillery, only the Eighth company and Headquarters, Oregon National Guard, are from this city, however, except Troop B, cavalry, which is at Pendleton, and Field Hospital No. 1, at La Grande.

Homes Are Provided.

In the official mobilization orders issued by Brigadier-General George A. White, Adjutant-General of the Oregon National Guard, commanding officers of the Coast Artillery, the First Separate Battalion of Cavalry, the Field Hospital No. 1, the First Separate Battalion, Engineers, and Separate Batteries A and B, are to report for orders by telegraph to the Commanding General, Western Department, at San Francisco. All the Portland troops will assemble at the Portland armory. They will be fed in restaurants during the mobilization period.

General White has overcome the lack of quarters by the various companies of Portland men in the various companies here shall take one of the men of his company from outside the city to his home for the night.

Until the concentration at Camp Withycombe, the troops will be permitted to go home at night, as there are no quarters for them at the armory. All National Guard troops are to be drafted into the Oregon National Guard. This is a formality that must be complied with, so they can be ordered to service outside the United States.

RESERVES MUST ALL TURN OUT

All National Guardsmen Due for Active Service Today.

Troops of the National Guard reserve must join the colors for active service today. The order mobilizing all troops of the Oregon National Guard not already in Federal service applies with equal force to men who are in the reserve.

There are 64 enlisted men on the reserve of the Oregon National Guard. Many of them have not been reached by mail, but others have removed from the address last given to the Adjutant-General and so have not been formally notified that they must report.

In order that all National Guard reservists in Oregon may have due notification of the War Department orders requiring that they report at once, General White last night issued the following list with the name of each reservist, his last known address and the mobilization point where he must report to the commanding officer indicated.

FOOT IS LOST BY SOLDIER

Member of La Grande Hospital Unit Is Injured.

LA GRANDE, Or., July 24.—(Special.)—Ill luck has been severe with the La Grande hospital unit, which goes to Clackamas tomorrow, 83 men strong. Recently George Hucksin, a member of the company, was killed at Vancouver while on tour, and tonight J. A. Ainsworth, another La Grande boy who was shaping affairs to mobilize tomorrow morning, aimed to get to his home quicker by catching a passing freight train to ride just a few blocks. His footing slipped and he lost his foot.

Mr. Seaton went by train both ways, and stopped for brief visits in San Francisco, Santa Barbara, San Jose and Los Angeles.

MAJOR M'DONELL IS MADE CAVALRY HEAD

Four Troops Are Unanimous in Naming Veteran Commanding Officer.

PHILIPPINE SERVICE SEEN

Through Major's Promotion, Captain Leadbetter, of Troop C, Is Transferred to Staff Corps and Departments.

By unanimous vote of officers of Oregon's four cavalry troops, A, B and C, of Portland, and D, of Pendleton, Major Charles E. McDonald, of the Philippines as Captain of Company H, Second Oregon Volunteers, and saw active service there.

Major McDonald is a veteran of the Spanish-American war and the Philippine insurrection. He went to the Philippines as Captain of Company H, Second Oregon Volunteers, and saw active service there. Later he was for several years Colonel of the Third Infantry, Oregon National Guard. He retired some years ago, but when the present war came on he asked to be returned to active service.

McDonnell Former Great Athlete.

In his younger days Major McDonald was a noted athlete. He was a charter member and one of the founders of the Multnomah Amateur Athletic Club, which was captain of its first football team. He played football with the Multnomah Club for many years and is one of the few men elected to honorary membership in the club in return for distinguished services in its behalf.

The cavalry having taken an officer from the staff corps and departments, Captain Fred W. Leadbetter, commanding Troop C of the cavalry, has been transferred to the staff corps and departments to relieve Major McDonald. Though the promotion of Major McDonald and the transfer of Captain Leadbetter were made Saturday, they were announced only yesterday.

Captain Leadbetter Aids Fund.

On leaving his troop, which he did with much regret, Captain Leadbetter transferred to the staff corps with a check for \$500 to go into its mess fund. Captain Leadbetter will continue as an officer in the National Guard, subject to call into active service.

More Transfers Made.

Captain Maguire announced that Second Lieutenant George S. Durant, of Troop C, will become its First Lieutenant, and that Harold B. Kiff, First Sergeant of Troop A, will become Second Lieutenant of Troop C. Major McDonald has appointed Orland S. Peabody, Second Lieutenant of Troop B, as squadron Adjutant, and Harry W. Doolittle, supply sergeant in Troop A, as squadron supply officer, with the rank of Second Lieutenant.
