6-OTHER BIG ACTS-6

Forget this "blue Monday" line of thought-spend the day or the evening in the open and don't let the "Jinks" get you-for "as a man thinketh-so is he." Here is always a happy day or an hour for the effort of a short ride and a 5-cent carfare from any part of the city-or a thimbleful of gas for the "flivver"-good, clean show in the auditorium every afternoon and evening-with dever dancing and good singing, backed by clean and wholesome fun in that funny musical story of "Abie's Night Out." There's safe swimming in the river always, with free lessons for beginners any week day between 1 and 2, and a real regular Jazz Band to play the dance music for you tonight and every week-day night in the openair pavilion.
