Troops Forge Forward Wake of Barrage and Hold Positions.

## TRENCHES ARE DESTROYED

French Break German Lines Eas of Bixschoote and Take Machine Guns, but Lose Points on the Aisne Front.

BRITISH FRONT IN FRANCE AND BELGIUM, Aug. 10 .- Field Marshal Sir Douglas Haig's forces at daybreak this morning attacked and captured vir-

holding their new line strongly.

Germans Have Deep Dugouts. This section of the front was the scene of some of the hardest fighting on the first day of the battle of Flanders. South of Westhoek the terrain on the first day of the battle of Flan-ders. South of Westhoek the terrain is marshy in places, and in the wooded section the Germans had strengthened their positions by constructing deep dugouts. These obstacles, however, did

regain these important positions.

German Airmen Have Bad Day, Yesterday was a dismal day for the German air service, which again was active after a long spell of bad weather precluded observation. Seven enemy airplanes were crashed to earth and air was driven down out of containing the seven the district accompanying the leaves the district accompanying another was driven down out of con-trol. The German sausage observation he leaves the district accompanying he leaves the destroyed and four others feets together, and finally seeing that the peace proposals.

Briefly, the memorandum is a strong briefly, the memorandum of the demand for the were forced to descend in a flabby con-dition. Three others were hit by Brit-ish airmen, and still three more were forced down by long-range fire from

forced down by long-range fire from the British guns.

The German artillery continues to pound the British positions before Lens. Points east of Vimy Ridge and west of Lens were heavily shelled throughout yesterday. German gunners were especially active along the whole British front from Nieuport to the southern extremity of the line.

CANADIAN ARMY HEADQUARTERS IN FRANCE, Aug. 10.—Raiding parties under protection of a heavy barrage fire early Thursday morning on a front of more than 2000 yards penetrated enemy positions in the Cite Du Moulin and St. Laurent sectors, returning with prisoners. The troops engaged were The troops engaged were from Ontario. Their casualties were

## Trenches Are Destroyed.

PARIS, Aug. 10 .- The French forces to cover each road.

North of St. Quentin the Germans attacked the French positions along a this limit materially if it felt that the front of nearly a mile in the region of Fayet. The French statement says the assault was repulsed, except at the center, where German detachments gained a foothold in the French administratory of the Columbia Highway the board will reduce the speed limit to 15 miles an hour and in some instances will make it as low as 10 miles an hour. Other county roads will

### German Food Low. In the course of the night the Ger-

In the course of the night the Germans also made violent attacks on the French lines between Pantheon Farm and Epine Des Chevregny, on the Alsne front. Some German detachments which penetrated the French trenches were either killed or captured after hand-to-hand fighting.

Further German itselfs are the first part of the penetrated the first part of the traffic laws is already having its effect was indicated yesterday when District Judge Bell increased the fine from \$2 to \$5 to gll autoists arrested Thursday.

LONDON, Aug. 16.—Reuter's correspondent at British headquarters reports that an order issued to the Ypres group of the armies of Crown Prince Rupprecht has been found, which reads: "The fact that economy in bread cereals has been taken into consideration makes it necessary to use increased ration only where it is really consideration." tion only where it is really needful. Officers are requested to explain again to their subordinates that serious nature of the economic situation in Ger

many and give instructions that the strictest economy must be exercised with regard to all supplies. Nothing must be consumed beyond that which is really necessary and not the smallest particle must be wasted."

culating Literature.

John A. McDonald, I. W. W. speaker and editor of the Industrial Worker, a The cause of the fire, discovered yes

He also was arraigned on a charge of using abusive language. Judge Rossman found him not guilty on this charge when no evidence was introduced to substantiate the accusation. The courtroom was well filled with members of the L W. W., who were called by the defense as witnesses. Before being allowed to enter the courtroom they were closely examined as to He also was arraigned on a charge busiest season of the year will be

their purpose in attending the trial.

Nearly 50 of the memebrs were turned away. These men stood for some time in front of police headquar-

ters before they were finally driven away by a squad of officers in charge of Captain Moore.

Adolph Johnson, another member of the I. W. W., was given a 45-day sentence after he testified that he had not worked for some time and that he did not believe in the present form of government. He said that he had been a member of the order for nine years, but that he was not a citizen of the United States, and that he would not fight for the country under any conditions.

A large number of the witnesses called in the cases yesterday had been members of the order for some time, but by their own statements they had become citizens of the United
