

MONTANA'S RULER AS TERROR TO MOBS

Governor Stewart Has Wealth of Experience in Handling Disorderly Element.

BUTTE RIOTS RECALLED

Broad-Minded, Big-Hearted Man in Portland Confering With Other Northwestern Governors, Sets Forth Plan of Action.

One quiet June afternoon of three years ago word flashed out of Butte that the I. W. W., temporarily in control of a disaffected Miners' Union, had begun a reign of terror in the world's greatest mining camp.

Twenty-four hours after this outbreak of I. W. W. lawlessness, a group of khaki-clad youths wound about the mine-spotted hills overlooking Butte.

The troops marched down into Butte. Martial law was proclaimed. Saloons were ordered closed indefinitely, and the task of restoring Butte to its senses was started.

His counsel about the conference table was thrice welcome. He had dealt with the I. W. W. had steamed them out, and his experience was worth much to the other executives in preparing to meet any internal disorders which might arise.

- Lexington Avenue: C. B. Burnett, 533 Lexington Ave. says: "The constant jarring of the cars put my kidneys in bad shape. Mornings my back was so stiff and lame I could hardly get up. My kidneys were weak and the secretions scanty, and that caused me considerable annoyance. Every muscle of my back ached and was sore, and I was annoyed by specks floating before my eyes. Doan's Kidney Pills flushed the congested kidneys, putting them in good order, and I was all right again."
Rex Avenue: Mrs. S. E. Ellsworth, 527 Rex Ave. says: "I was all run down because of kidney trouble, and I can hardly describe the pains in my back. Many times I was so dizzy and nervous I could hardly keep going. My sight was often blurred and big black specks came before my eyes. My sleep didn't seem to rest me, and I always felt tired and listless. My kidneys were weak and my feet and ankles became swollen. I used Doan's Kidney Pills, and was soon completely cured."
East Stark Street: H. R. Rothenberger, prop. shoe store, 1888 E. Stark St. says: "The bad drinking water affected my kidneys when I was living in Illinois. My back ached and the muscles felt as though they were drawn up. It was pretty hard for me to bend over. My sleep didn't seem to refresh me, and I felt lame and stiff all the time, although the trouble was worse in the morning. My kidneys didn't act as they should, but Doan's Kidney Pills fixed me up fine. Since then I have used Doan's every Spring, and they have kept me strong and well."
