Flour Prices Compared.

There has been a reduction of \$1.40 jected by the Board. a barrel in flour prices since the first announcement of a Government wheat price. As compared with the extreme GERMANS JEER U. S. FORCE high point in the flour market last May, flour has declined \$3.50 a barrel. Airman's Note Says That American The present price of \$10.20 compares with a \$4.80 market at the time the war started in Europe and \$9.40 when the United States entered the war. A ith later the price had climbed to \$13.70.

that bread will be any cheaper here, the Germans, apparently, come out whole.

"We have been selling bread right flour," said Mr. Haynes yesterday.

never raised the brend price to cor- Mon." respond with the extreme flour quotation

Loaf Size May Be Reduced.

"Now, with the flour market set definitely at \$10.20 for Oregon patents, looks as if the bakers will find it' necessary to reduce the size of the loaf a little. We use Montana and Dakota hard wheat flours as well as local bluestem flour and this costs more than the home product. With Oregon flour worth \$10.20, the Montana flour will ber 23: cost us at least \$10,75."

Mr. Huynes has just returned from a trip to St. Louis, Kansas City, Chicago and Minneapolis and in every city he found the bakers giving a smaller loaf lost." for the money than in Portland. In some places the loaves were two ounces leas in weight. The nearest approach ounce less than here.

Feed Prices Fixed.

The decline of \$3 a ton in millfeed prices fixes the local market for the ALIEN DRAFT POSTPONED present \$30 a ton on bran and \$33 on shorts in carload lots at mills. It is not certain how long this price will hold, as the market will be governed entirely by supply and demand.
