BY JAMES J. RICHARDSON.

Portland and Vernon went 50-50 yesterday when they broke even in a double-header, which gave the Beavers the long end of the series, 5-2.

Byron Houck lost his first game in quite awhile when the Tigers managed to edge out on the long end of a 4-to-3 score in the first battle of the double bill. Houck's support was very panicky, however, and with both teams see-sawing all through the game, it remained for Stovall's men to sew it up tight in the eighth inning, when, with one out, Meusel doubled to right and scored from second on Callahan's single to the same place.

Beavers Get to Fromme.

The Beavers started to find Fromme in the first inning. Four clean swats registered two tallies. Jack Farmer sizzled one to center. Hollocher safetied to right. Willie beat out a bunt along the third-base line, which the Vernon players waited to roll foul, filling the bases. On a grounder to Meusel, Farmer was forced at the plate, Meusel to Moore. Grigg's bounced one off Vaughn's shins, which rolled to right field, Hollocher and Willie scoring.

The Tigers tied the game up in the fourth, when, with two hits and bobbles by Rodgers and Fisher, they managed to score two runs. Daley singled and stole second. Meusel singled to right, Daley going to third, scoring when Fisher erred on Willie's peg to the plate. Galloway grounded to Rodgers, who "kicked" it, Meusel scoring.

Beavers Forge Ahead.

The Beavers forged ahead in the sixth, when Griggs walked, went to second on Rodger's sacrifice and scored on Houck's single to right.

The Tigers again evened the score in the seventh. With two down, Vaughn walked, stolen second and scored when Rodgers "booted" Doane's grounder.

The Beavers finally went down to defeat in the eighth after Pete Daley took three "healthies" and walked to the bench. Meusel tripled to right center and scored when Callahan swatted the ball safely to right field.

Beaver Errors Costly.

With proper support Houck would have won his game. The three errors the Beavers made were responsible for three of the four runs scored, while the Beavers earned two of their three.

Houck allowed nine hits, struck out four and passed four. The Beavers staged three double plays in the first game which pulled them out of some tight holes.

The Beavers almost annihilated the offerings of Slagle and Hovlik in the second game, winning 10 to 4. Kenneth Penner was wobbly at times, but managed to escape serious trouble after the first inning. The Beavers made two home runs, two triples, four doubles and four singles.

Darkness Ends Game.

The big pyrotechnical display came in Portland's half of the second inning, when Slagle lost the combination to his assortment of twisters.

Farmer hit the first ball, Slagle threw him clear into the leftfield bleachers for a home run in the first inning of the second game.

The Beavers scored five runs. Every McCredielte had a turn at bat. With one out, Siglin was hit by the pitcher. Baldwin flew to Snodgrass for the second out. Penner leaned against one for three bases, scoring Siglin. Farmer doubled to the rightfield fence, scoring Penner. Hollocher scratched a hit to Meusel, Farmer taking third. Willie tripled to right center, scoring Farmer and Hollocher. Willie scored on a single to right. Manager Stovall then derricked Slagle and Hovlik managed to temporarily stop the Beavers' swatfest and scoring.

Hovlik walked Hollocher and Wille in the fourth and both scored when Williams homed over the rightfield fence.

The Beavers scored their final tally in the fifth, when Siglin scratched a hit to short, took second on a wild pitch and scored on Farmer's double to right.

The Tigers scored two runs in the first and one each in the second and fourth.

Umpire Casey called the game on account of darkness in the eighth inning.

Notes of the Game.

When Kenneth Penner tripled to left in the second inning of the game he pitched his mother was so delighted that she "twitted" him a kiss through the wire netting while he was perched on third base. He sure had it coming.

* * *

In the seventh, Meusel hit to left field for a single and was out trying to stretch it into a double, Farmer to Hollocher. It was a perfect heave by Farmer from deep left to second. He captured six hits out of eight times at bat.

* * *

The collecting of money for the bat and ball fund delayed the second game until the "dear wifies" started to worry about the "chops" for hubby. There was one grand rush for the cars and autos when Umpire Casey ordered a cessation of hostilities until next Tuesday afternoon, when the Salt Lake club comes for the final series of the season on the Vaughn-street lot.

* * *

Paddy Siglin had some hard chances around the third cushion, but he handled them in elegant style. This boy is a "whiz" and knocks down many balls that would ordinarily go for a hit. He was hitting the ball on the nose yesterday, getting three hits in seven times at bat.

* * *

Jack Farmer, Hollocher, Wille and Griggs added materially to their averages during the afternoon performances.

BUGS OFF FOR BIG SERIES

Portland Men Leave to View Baseball Classic—Kolb Divides Afternoon Between Game and Umpire Casey.

When Frank Grant and Mrs. W. W. McCredie finished counting the offering of coin which Portland baseball fans yesterday donated to the bat and ball fund which Clark Griffith, of the Washington American League club, started for the soldier boys in France, they gladly announced that it amounted to $358.89.

It was a glowing tribute to the generosity of those present, and when the members of the Portland and Vernon ball clubs, headed by Manager George Stovall, of the Tigers, emptied their caps, bulging with money, on the home plate, so the fans might see what "real" money looked like, the stand rang with applause.

It was a most generous giving from those present and will certainly be appreciated by the boys who have given up their chances of witnessing games on American soil to fight the battle of Uncle Sammy on foreign shores.

Frank Grant turned the money over to Judge McCredie, who last night telegraphed Clark Griffith that $358.89 was in a Portland bank, subject to his check.

* * *

There was quite a delegation of Portland baseball fans on the Chicago train when it pulled out last night. The world series opens in the Windy City next Saturday.

The party included Julius Meier, Max Politz, Charles Campbell and G. A. Metzger, of Portland, and Patrick Michael Blake, of Eugene.

* * *

Joseph A. Pipal, head football coach at Oregon Agricultural College, was a visitor at yesterday's game for a few minutes and later rambled off to catch the Corvallis train. He loves the National pastime and never misses an opportunity to be present at a game.

* * *

Clarence William Kolb, of the comedy team of Kolb and Dill, occupied a box with Henry Nelson, of San Francisco, and they "kidded" Umpire Casey all afternoon. Kolb is one of the most ardent ball fans in the country, and never misses the chance to don a "uni" and cavort around the first sack.

He was telling yesterday of an experience he had at San Francisco, back in 1892, when the Kolb and Dill baseball team played a like aggregation from Florence Roberts' company, which was then playing at the old Alcazar Theater.

"I was playing first," said Kolb, "and in the first 'scrimmage' I had with a base-runner he slammed me on the 'kisser' and down I goes. Dill came over to take my part, and when the fellow looked Dill square in the eye, instead of helping me he asked the fellow 'If he needed any help' to clean me. Can you beat that? Just like a Dutchman."

Ruling Regarding Ball Still Being in Play After Crossing Sideline Extended Is Eliminated.

NEW YORK, Sept. 30.—At a meeting of football officials, coaches and players held here Saturday for the purpose of interpreting the rules governing the game, Walter Camp, of Yale, who presided, said that, from the activity displayed by the men at the various training camps throughout the country, more football would be played than ever before.

It was decided unanimously to eliminate the approved ruling regarding the ball still being in play after it had crossed the sideline extended. This was the first time that any approved rule was eliminated at any meeting other than a regular one of the rules committee.

On the motion of Coach Sanford, of Rutgers, it was decided to recommend eliminating the possibility of a player being cut down from behind. The Rutgers coach also made an appeal that the rules committee adopt the "multiple kick," which, he claimed, would be much better than the "teeing up" of the ball for a place kick, as now allowed by the rules.

VISALIA AUTO RACER KILLED

W. S. Campbell Hits Fence; 15 Persons Hurt in Second Crash.

FRESNO, Cal., Sept. 30.—W. S. Campbell, automobile race driver of Visalia, was killed here Saturday in the first lap of a 25-mile race, when his car struck the inner fence; and 15 men, women and children were injured a few seconds later, when William Bolden, of San Francisco, crashed into Clyde Roads, of Bakersfield, and the two machines plowed through a crowd standing by the side of the track.

Tonight physicians announced that none of the injured would die.

HUNTERS BARRED FROM LAKE

Vancouver Lake Protective Association Is Organized.

VANCOUVER, Wash., Sept. 30.—(Special.)—Owners of the land for about nine miles along Vancouver Lake have organized the Vancouver Lake Protective Association. They will petition the game warden to deputize one of their number to patrol from the Frank Fletcher place to the De Long farm. The association has had printed 500 trespass notices and will post them freely so as to bar hunters.

In addition to having a desire to have the game birds around, the farmers say that they destroy many pests that damage their crops.

New York Girl Lowers World's Record at San Francisco.

SAN FRANCISCO, Sept. 30.—A new world's swimming record was set here today when Miss Claire Galligan, of New York, captured the women's National 500-yard championship in 7 minutes 32 2-5 seconds. This betters Miss Fannie Durack's time of 7 minutes 32 3-5 seconds, made at Sydney, Australia, in 1915.

Miss Galligan's record was set in a 25-yard tank, while Miss Durack's was a 100-yard course. Miss Galligan finished more than 10 yards ahead of Dorothy Burns, of Los Angeles, who took second. Frances Cowells, San Francisco, was third.
