

# 3 BILLION MARK HAS BEEN PASSED

## Relentless Campaign to Be Continued to Secure \$5,000,000,000 Maximum.

### MANY CITIES EXCEED QUOTA

#### Officials in Washington Express Conviction That Total Subscriptions Are Already Half Billion Past Minimum Goal.

WASHINGTON, Oct. 25.—Liberty loan totals flashed past the \$3,000,000,000 mark today and headed for the \$5,000,000,000 maximum with every indication that by continuation of the relentless campaign the latter figure would be realized Saturday.

Although unofficial estimates from the 12 Federal Reserve districts do not total the figures officials tonight expressed the conviction that subscriptions were past the \$3,000,000,000 mark. "Victory for the second liberty loan is in sight," Secretary McAdoo announced tonight, upon his return home from a transcontinental tour in behalf of the loan, "but it has not yet been achieved."

Compiled from estimates submitted by local committees and the Federal Reserve Bank headquarters, the total unofficial subscription announced tonight by the Treasury was \$3,200,000,000.

Official reports of subscriptions turned into the Federal Reserve banks increased approximately \$400,000,000 over night and totaled, with San Francisco's work of yesterday unreported, \$2,925,543,500. The totals of official returns and estimates follow:

District	Official	Estimated
Boston	\$25,000,000	\$30,000,000
New York	805,000,000	1,005,000,000
Philadelphia	200,000,000	250,000,000
Cleveland	241,700,000	300,000,000
Pittsburgh	100,000,000	120,000,000
Atlanta	16,618,000	20,000,000
Chicago	230,418,000	285,000,000
St. Louis	42,500,000	50,000,000
Minneapolis	30,240,000	40,000,000
Kansas City	24,810,000	30,000,000
Dallas	24,810,000	30,000,000
San Francisco	75,247,500	100,000,000
Totals	\$2,925,543,500	\$3,200,000,000

The returns which make this total of estimated subscriptions are unofficial and may increase, says the San Francisco department statement, but the most diligent labor between now and Saturday night is necessary to reach the goal. It is urged that all committees throughout the country, that a great oversubscription will be reached.

### MANY CITIES EXCEED QUOTA

#### Boston Hopes to Reach Half-Billion-Dollar Maximum.

BOSTON, Oct. 25.—Reports received today too late for the daily official tabulation made it certain that the Boston Federal Reserve district had gone beyond its minimum allotment of \$200,000,000 in the liberty loan campaign and gave officials ground for renewed hope of reaching the \$500,000,000 maximum Saturday night. Official figures, which included only subscriptions up to Wednesday night, placed the total at \$250,000,000. This city made a record today by exceeding its maximum of \$112,000,000.

NEW YORK, Oct. 25.—Subscriptions to the liberty loan in the New York Federal Reserve district totaled \$1,075,000,000 at the close of business today, a gain of \$10,000,000 since yesterday.

CHICAGO, Oct. 25.—The Seventh Federal Reserve District today is still \$70,000,000 short of its \$420,000,000 liberty bond quota. Unofficial reports indicate this will be overcome today.

LOS ANGELES, Oct. 25.—Nearly \$3,000,000 subscribed yesterday brought Los Angeles' liberty loan subscriptions to \$12,500,000. The minimum quota is \$25,000,000.

FRESNO, Cal. Oct. 25.—With vacation earnings from orchard and vineyard work Fresno High School students today subscribed to \$106,000 liberty bonds.

DALLAS, Tex. Oct. 25.—The Eleventh Reserve Bank District at noon today reached \$25,000,000 in liberty loan subscriptions. The city of Dallas overtopped its quota by \$5,162,000.

LINCOLN, Neb. Oct. 25.—Lancaster County and Lincoln, its seat, have subscribed \$5,225,000 to the liberty loan, nearly \$1,000,000 above the quota.

Phone Girls Journey to Olympia. CENTRALIA, Wash. Oct. 25.—(Special.)—Two girls, including Chinamen, Centralia telephone operators went to Olympia Tuesday night, where they listened to an address by Miss Kerr.

### ATIME FORSTRONG NERVES

Many people are worrying themselves sick over the high cost of living. War time with its excitement and hysteria is a trial to the strongest nerves. To those whose nervous systems are run down by overwork or worry, to those who are on the verge of neurasthenia, it is a time of danger. There is no tonic for every other part of the body. There is no form of debility that does not rob the nerves of nourishment. The remedy therefore for nervous breakdown is a tonic that will build up the general health, revitalize the blood and enable it to carry to the nerves the elements that they need. Dr. Williams' Pink Pills are an ideal tonic for this condition because they are non-alcoholic and neurosthenic patients should avoid alcoholic stimulants.

The Dr. Williams' Medicine Co., Lehenctady, N. Y., has published a little book on nervous disorders that contains a chapter on neurasthenia in which the symptoms are fully described and the correct treatment given. The booklet is free on request.

Dr. Williams' Pink Pills are sold by your own druggist or will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50.—Adv.

Suffered Terribly From a Burning Sensation in His Stomach. "Last Summer I had a bad spell of indigestion that lasted about ten days. There was a terrible burning sensation and a good deal of gas in my stomach. I suffered terribly at this time, being unable to get relief until I took a friend's advice and began using Chamberlain's Tablets. The relief from the first was very apparent, and by taking only half a bottle of them I was cured," writes G. F. Parkhurst, Cicero, N. Y.—Adv.

president of the Seattle union, who told what was being done by the Seattle operators to enforce their demands for increased wages and better working conditions. Before leaving for Olympia the local girls were addressed by Miss Field, delegate from the Aberdeen union, who was passing through Centralia on her way to the San Francisco conference.

### Wahkiakum Is Oversubscribed.

CATHLAMET, Wash. Oct. 25.—(Special.)—Cathlamet held an enthusiastic liberty loan bonfire on Main street Tuesday night. The Boy Scouts and pupils of the local school furnished a musical programme and Rev. W. W. Head gave a rousing talk on the loan. Th. Fagstad, cashier of the Wahkiakum County Bank, said the county had been asked to buy \$35,000 and the two precincts of Cathlamet and Skamokawa alone had bought \$25,000. When the other parts of the county are heard from it is believed the \$35,000 mark will be reached.

### VETERAN HEADS LIST

#### PATROLMAN JOHN Z. QUINTON INVESTS \$3000 IN BONDS.

Subscriptions of Police Bureau Now Total \$18,000—Chief Johnson Pleased With Record.

With Patrolman John Z. Quinton, one of the oldest members of the force, heading the list, the Police Bureau subscriptions to the liberty loan last night had reached a grand total of \$18,000.

John Quinton, Veteran Policeman, Who Subscribed \$3000 to Second Liberty Loan.

scriptions to the liberty loan last night had reached a grand total of \$18,000. Chief of Police Johnson, who took a personal interest in the canvass among members of the police force, and who gave the men under him several patriotic talks on the loan, expressed himself as being highly pleased with the showing of his men.

Patrolman Quinton subscribed for \$3000 of the bonds of the second liberty loan and in so doing is said to have set a record among the army of city employees even outside the Police Bureau. Mr. Quinton has been on the police force for the past 23 years and is the second oldest man both in years and in point of service on the force.

Another large subscription was that of the Police Athletic and Benevolent Association, which subscribed for \$1500 of the bonds. Out of the 280 members of the bureau more than half subscribed for bonds of the second issue.

Many of those who have taken bonds of the new loan are also subscribers to the first loan. At least two-thirds of the members of the bureau have taken bonds, including the first issue, Chief Johnson said.

"I am more than pleased with the patriotic response of the members of the Police Bureau," said Chief Johnson last night. "Many of the men will have to practice the strictest economy in their homes in order to keep up their payments, but in spite of that they have come forward even better than we anticipated."

The chief expressed the belief that the total of last night would be increased materially before the campaign is brought to a close tomorrow night.

### AMERICA LOVED BY GERMAN

#### Jackson County's Quota Increased at Last Minute to \$765,000.

MEDFORD, Or., Oct. 25.—(Special.)—With Medford, Ashland, Jacksonville and Eagle Point all passing their minimum quota in the second liberty loan campaign tonight, Jackson County's total stands at \$466,300, which is \$14,300 above this district's original allotment. By night today from Portland the minimum quota has been placed at \$765,000, and while local bankers believe it will be impossible to reach this figure in the two days left of the campaign, every effort will be made to come as near it as possible. That the half million mark will be passed seems certain in spite of the fact that at the opening of the campaign the quota of \$450,000 looked unsurmountable.

Medford subscriptions tonight stood at \$225,000, and Ashland at \$146,500. The most sensational showing today was made by Ashland, with a 100 per cent increase from \$75,000 the night before.

An example of the loyalty of local German-Americans was shown today when G. P. Wagner, of Stearns, came to Medford and handed W. H. Gore, local chairman, a check for \$1000. Many of the subscriptions he had collected in that sparsely settled mining district.

"I love the German people," said Mr. Wagner. "I was born among them, but I love my country better than any other country and I want to do everything I can to help my country now."

### CHINAMEN PURCHASE BONDS

#### Marshfield's Total Subscriptions Are More Than \$100,000.

MARSHFIELD, Or., Oct. 25.—(Special.)—Representative C. N. McArthur tonight addressed an audience of several hundred people at an open-air meeting. He confined his remarks to the bond campaign. Congressman McArthur was followed by Congressman W. C. Hawley, who gave a review of the incidents of the war which embroiled America.

The campaign for bonds today boosted Marshfield's subscriptions to over \$100,000. Many people are contributing and 99 per cent of the offerings are from men of small means. Almost every body, including Chinamen, have been planking down their promises today and the committee is satisfied the quota will be easily met.

### 25 Indian Children Take Bonds.

TACOMA, Oct. 25.—Twenty-five Indian children at the Cushman Industrial School subscribed to \$1250 in liberty bonds. Much of the money represented in the bond purchases was earned during the summer by the girls and boys in hop fields and canneries.

### MUNS ARE RETIRING

Retrograde Movement Noted on Northern Front.

### ALL BRIDGES DESTROYED

Civilian Population Now Leaving Kronstadt and Petrograd—Russian Fleet Guards Entrance to Gulf of Finland.

### PETROGRAD, Oct. 25.—

The German retreat on the northern end of the front continues. The War Office reports that the Russian vanguards lost touch in some sectors with the retiring Germans, who destroyed all bridges, roads and buildings.

German attempts to make another landing in Werder Peninsula in the region of Tomba were frustrated yesterday by Russian artillery fire.

Germans who left their advanced positions so far have retired about 15 miles in the Riga region, near the Pskoff high road and in the sector of the Little Jaegel River.

### Retreat Is Extensive.

Tuesday the Germans were reported to be on the Rodepolis-Turkain line. This indicates an extensive retreat by the Germans, who are now back nearly to the Dvina River region. Rodenpolis is on the Great Jaegel River, about 12 miles from the Dvina.

Turkain is on the Little Jaegel, seven miles from the Dvina.

How the Germans were aided in the capture of Oesel and Moon Islands, in the Gulf of Riga, by sympathizers there is told by M. Y. Ibragimov, a commissioner sent to observe conditions there, and who escaped in an open boat after the occupation. He says several of the officers, including General Martinoff, commander of the garrison, committed suicide when the troops surrendered.

When Aviator Safonov brought down a German hydro-aeroplane the dead occupant was found to have complete plans not only of existing but of proposed fortifications.

### Evacuation of Kronstadt Begun.

The evacuation by the civil population of the naval base of Kronstadt has begun.

The removal of civilians from Kronstadt, the most important Russian naval base, probably is a military measure. The civilian population is moving from Petrograd, from which the government also will go to Moscow.

The evacuation of Revel, another important port on the Gulf of Finland, was reported last week.

### HELSINGFORS, Tuesday, Oct. 23.—

There has been no naval action in the Baltic or the Gulf of Finland during the last two days. The Russian fleet is guarding vigilantly the entrance to the Gulf of Finland. It is not believed that Helsingfors is menaced by the German successes in the Gulf of Riga. No measures of evacuation have been taken except that the families of officials have been advised to leave the Finnish capital owing to the scarcity of provisions.

### SEATTLE TOTAL \$10,477,000

#### Every Bond Owner Commissioned as Sales Agent.

SEATTLE, Wash., Oct. 25.—Every bond owner was today appointed a bond seller for the rest of the week by the Washington state central committee for the second liberty loan with special instructions to bring in at least one purchaser before the close of business Saturday night.

Seattle's total today reached \$10,477,000, of the \$12,000,000 quota and the state's total \$26,564,000 toward its \$36,000,000.

Postmaster Battle has authorized every letter carrier to solicit subscriptions.

Seattle's 30,000 school children have been deputized bond solicitors.

### HARRISBURG TO RAISE QUOTA

#### Business Men Assisted in Campaign by Boy Scouts.

HARRISBURG, Or., Oct. 25.—(Special.)—Harrisburg's quota will soon be reached. At 8 o'clock tonight the subscriptions totaled \$25,500. Yesterday and today a canvass was made of the surrounding country with excellent results. The business men of the city are being assisted by the Boy Scouts, who are helping to swell the subscription list.

### Los Angeles Sends Good News.

LOS ANGELES, Cal. Oct. 25.—The liberty loan committee in charge of the subscriptions in Southern California announced tonight official totals subscribed up to Wednesday night amounting to \$41,820,000. This puts the subscriptions nearly \$1,000,000 above the quota for the district.

### Forest Grove Raises Quota.

FOREST GROVE, Or., Oct. 25.—(Special.)—J. A. Thornburgh, chairman of the local liberty loan committee, at noon today reported that Forest Grove's quota of \$100,000 had been subscribed. Mr. Thornburgh believes that the quota will be exceeded by Saturday night.

### Loses Business

"I want my ad discontinued," said Mrs. Mary A. Jordan, of 485 East Thirteenth street North, to the classified man at The Oregonian yesterday. "I put it in for three days, but I have no more use for it, as one insertion brought results. I am very grateful to The Oregonian and I want to thank you."

Mrs. Jordan advertised for a valuable fur which she had lost. A few hours after The Oregonian was delivered yesterday morning the fur was returned to her. The little ad cost only 36 cents.

It matters not whether you have lost a valuable, have rooms to rent or are seeking a new home, or have any of the many little wants which you are apt to have in the week's time, The Oregonian can serve you well. It brings results every time, and the little ads cost only a few cents.

### BOND BOOTHS OPENED

Considerable Educational Work Done and Returns Expected to Be Important.

Booths where liberty bonds are displayed and sold have been established in numbers about the city, and this educational work is bearing fruit. Many subscriptions are being taken outright at these booths, which are set up in stores and other public places. But, aside from the actual listing of buyers, much preliminary work is done in giving the booth displays his personal attention and they are proving a distinct hit.

Booths have been established at the big department stores, the downtown drug stores, the public market, the railroad depot, the city ticket office, and, besides, the suburban stores have been equipped with these handy information stations. They have been placed in the following stores outside the downtown business district:

Clark & Co., Twenty-third, near Washington.

Nob Hill Grocery, Twenty-third and Kearney.

Washer Bros., Fifteenth and Broadway.

J. C. Mann, Grand avenue and Harrison.

Spellman & Son, Forty-sixth and Sande boulevard.
