single touchdown, scored unexpectedly in the second period, enabled Lincoln High to win a fast and furious football game from Washington High yesterday, before 1800 fans. The score was 8 to 0. Lincoln alone turned out more than a thousand to the game. Washington's representation was rather a disappointment, as out of a school of 1300 a few more than 500 turned out to root for their team. A large crowd of football enthusiasts from other schools also attended the match.

Lincoln swept Washington off its feet during the initial period. Wash-ington kicked off. Lincoln got the ball and made yardage three times. Washand made yardage three times. Washington stopped the rush when Lindsay recovered a fumble by Tuerck, of Lincoln. The Railsplitters soon regained the ball, however, when Larrimore hooked a fumble by Washington's left halfback. A series of line plunges by Wright, Rogoway and Tuerck then put the ball on Washington's 10-yard line, where the East Siders took a new lease of life and held Lincoln for downs. Beamer made a short end run, putting the ball on the 15-yard line at the end of the quarter. Score Comes Quickly.

The crowd didn't have to wait long for things to happen at the start of the second quarter. Washington elected to second quarter. Washington elected to punt out of danger. They did the opposite. Sanders, Lincoln's center, blocked the kick, which bounded back behind the Washington goal and was recovered by Fullback Wolff for a touchdown, the only score of the game. Wright missed the goal by a few inches.

Washington then came to life and played up to its foe for the rest of the period. Left Half Glass carried the ball and half the Lincoln line for a good eight yards. On the next play Sanders, of Lincoln, intercepted a pass shot by LaRoche, and the half ended with the ball in the center of the field. Lincoln kicked off in the third By JAMES J. RICHARDSON.

Comiskey Sends Aspirant for Commission Part of Series Cash.

CHICAGO, Nov. 7.—(Special.)—President Comiskey, of the White Sox, has completed the task of answering 200,-000 letters and telegrams of congratu-lation on winning the world's pennant sent him by fans from all over the Middle West.

One of the letters that pleased Comiskey most was written by Jim Scott, a prospective officer in the National Army, who left the world's champions in August to join the officers' reserve training camp at Presidio of San Fran-cisco, and is nearing the end of his

probationary work.

Although Scott lost that wicked curve which made him the terror of American League batsmen, and was of comparatively little use to the White Sox this last season, and left the team nearly two months before the season was over, he received his salary in full for the year, and it was a "yeartine"

Defcat of West Point Brings Team

Into Prominence in East.

NEW YORK, Nov. 7 .- A new factor has arisen on the football horizon. It comes out of the West-Notre Dame. The unexpected victory of the Indiana eleven over West Point Saturday dis-closed play of such powerful character that it gives promise of enabling the South Bend team to go through the season without a defeat. In that case, the Westerners will be candidates for the premier honors of the gridiron for the current season.

There was only the difference be-tween a touchdown and a goal on one side and a safety on the other, but it was enough. It showed that the win was enough. It showed that the winners had the power to cross a fiercely
defended goal line. The touchdown
was dramatically won, too. It indicated that the Indiana team had the
football sense to seize the crucial opportunity, the daring to put a brilliant ly conceived play into instant execu-tion and the power to overcome des-perate opposition from a team that has been hailed as one of the season's best. Likewise, the victory was won on a foreign field, with the encouraging cries from a blased throng rattling in the ears of the invaders and spurring on their opponents.
