

JEFFERSON FACES TOUGH SCHEDULE

Two Hard Battles in Interscholastic League Will Be Fought This Week.

BOTH GAMES ARE NEEDED

Formidable Rivals Will Endeavor to Grasp Pennant from Monticello's Sons, Who Must Win Both Games to Get Trophy.

Owing to a rearrangement of the Interscholastic Association football schedule, Lincoln High School did not play the Benson Polytechnic school eleven yesterday afternoon. This game, called at the start of the season for November 22, was recently moved forward to November 19 in order to allow Lincoln to play an extra game with Walla Walla on Wednesday.

Lincoln's game with Walla Walla has been cancelled so the original schedule will be adhered to for the coming week. Games will be played as follows:

Tuesday—Columbia Prep versus Hill Military Academy.

Wednesday—James John High versus Jefferson High.

Thursday—Benson Tech versus Lincoln High.

Friday—Jefferson High versus Franklin High.

The High School of Commerce and Washington High School are the only two teams in the association that do not play this week.

Among the first of those arriving to attend the convention is A. N. Other arrivals are J. H. Mulholland, of Philadelphia; H. E. MacFarland, of Chicago; B. Black, of Cleveland; Professor C. W. Hickman, of the Department of Husbandry, University of Idaho; Guy S. Herrick, of Missoula, Mont., and President F. N. Martin, of the Hazelwood Company, of Spokane.

Board of Control Also Rules That Amateurs and Professionals in Army Camps May Compete in Athletic Contests.

The board allowed a time of 6:24.3 for the one-and-one-half-mile indoor run made by Joey Ray, of the Illinois Athletic Club, at the Melrose Athletic Club on January 24, 1917. This event is to be listed among the worthy performances.

The board voted also to accept the record of 5:25.5 made by J. G. Loomis, of the Chicago Amateur Association, in a 25-yard outdoor dash at Chicago on September 8, 1914, on condition that it is accepted by the Central Athletic Association. Similar action was taken as to the time made in the 100-yard high hurdles by Harry Goeltz, of the Chicago Athletic Association, on July 25. This time was 13.

REDS ANGLING FOR MAMAUX

OREGON STUDENTS CELEBRATE

O. A. C. "Iron Woman" Stolen Help in Rejoicing.

Cincinnati has just kicked in with a story to the effect that the Reds are angling for the services of Albert Mamaux, famous in Pittsburgh as a clothing salesman. Just what the Cincinnati club has to offer for the young right-hander is not stated.

Christy Mathewson is reported as being quite anxious to leave Mamaux in his twirling corps. The Cincinnati manager feels certain that he can hustle Al back into his old form and make him a most valuable form and help the Reds in their drive of 1918, when it is predicted that a flag of some sort will float from the Rhinelead ball yard.

Mamaux would not be averse to being sent to some other city. He had a mighty bad season this year, and to top it off, had the misfortune of being suspended for overstepping one of the club's rules. He believes he still has a bright future before him. New York would be his preference, but it is probable he would not object to donning the uniform of the Reds and working under Matty. However, Cincinnati is not the only club in the major league that would be willing to take over this bird.

AMRY WANTS LOGGERS

CAPTAIN STARBIRD, OF FORESTRY REGIMENT, GOES INTO SERVICE.

ALBANY, Or., Nov. 19.—(Special.)—Captain Starbird, of the Forestry Regiment, who has had extensive experience in sawmill and logging operations in the Pacific Northwest, was advised yesterday that several thousand experienced men along these lines are still required and urged to do his utmost to aid in recruiting them from this section of the country.

Recruiting headquarters have been established at 405 Back building, connection with the Forestry Service, and Captain Starbird will keep office hours there daily from 10 to 1 o'clock all this week. After his departure Saturday, enlistment can still be made at the headquarters.

It is desired to secure the men needed at an early date, as it is declared that the sooner they are recruited the sooner the war will have to fight duty there in logging timber and making lumber for use both in carrying on the war and in rebuilding ruined sections of France and Belgium.

Christian Brothers always has one of the most powerful lineups in the Interscholastic Association.

AMATEUR RULES CHANGED

Permission Given to Compete With Professionals at Encampments.

ST. LOUIS, Mo., Nov. 19.—The board of control of the Amateur Athletic Union today adopted the amendment to the by-laws providing that amateurs compete with professionals in athletic events at Army encampments during the war without impairing their standing, as long as the prizes are other than money.

Amateur boxing rules probably will be changed.

Woodburn Club to Shoot.

The Woodburn Gun Club, of Woodburn, Or., will hold a turkey shoot November 22. Shooting will start after the train from Portland arrives. The McCoy Gun Club, of McCoy, Or., announces a shoot November 24. This shoot will be the third annual Thanksgiving shoot given by the McCoy club, which has covered traps. A hot lunch will be served. Both of these clubs are near to Portland and it is expected a large number of Portland shooters will attend.

Aberdeen Wants Franklin Game.

ABERDEEN, Wash., Nov. 19.—(Special.)—Aberdeen football fans are watching with interest negotiations for a Thanksgiving game with the Franklin High School of Portland, the game to be played here. Should a game be scheduled a big attendance is assured. The Aberdeen team has not been beaten this season, having won from all the eleven in this district and held the undefeated Everett High School team to a 0-0 tie.

Club Athletics to Go South.

Frank Harmer will leave for San Francisco today in company with the three Multnomah Amateur Athletic Club entries in the international boxing tourney to be staged under the auspices of the Olympic Club on Thursday and Friday nights. The boxers who will accompany Harmer are: Phil Neer, 138 pounds; Con Kelleher, 133 pounds, and E. V. Eubanks, heavy-weight.

Rules Are Altered.

Important changes were made in the rules regarding swimming and boxing.

ST. LOUIS, Nov. 19.—Philadelphia was named as the city for the next annual meeting of the Amateur Athletic Union and Charles A. Dean, of the Illinois Athletic Club of Chicago, was named president of the organization at the session here today. This virtually was a compromise between the East and the West. San Francisco and other Western cities had in the past been chosen, but New York stayed out in favor of Philadelphia.

Other officials elected were: Samuel J. Ballin, Philadelphia; L. D. Benedetto, New Orleans; John J. Taylor, Pittsburg, and T. Morris Dunne, Portland, vice-presidents; Frederick W. Houben, New York, secretary and treasurer.

Competition Is Permitted.

The board of control adopted an amendment to the rules permitting amateur athletes in Army and Navy camps to compete with professional athletes in the camps without losing their amateur standing.

The board of control adopted an amendment to the rules permitting amateur athletes in Army and Navy camps to compete with professional athletes in the camps without losing their amateur standing, appropriate fees for athletes who take part in contests at the encampments.

A committee, consisting of Justice B. A. W. Prouty, George Turner and W. C. Prouty, was appointed to confer with Secretary of War Baker as to the spending of a fund to encourage Army athletes. The money will be used to buy medals for athletic winners.

Playground Work Barred.

The board voted also to expend any sums in addition to the \$5000 deemed necessary to encourage athletics among the men in the National service.

The board voted also to expend any sums in addition to the \$5000 deemed necessary to encourage athletics among the men in the National service. The board rejected an amendment offered by the Southern Pacific Association which would abrogate the rule preventing basketball players from competing for rival clubs in their district after they have deserted another club in that district.

The board also rejected an amendment proposed by the Metropolitan Association providing that athletes engaged in playground activities during the summer months may retain their amateur standing. The old rule, which is retained, provides that athletes who engage in playground work become professionals.

Records Are Approved.

The athletic records submitted by the record committee were approved, with a few exceptions. In the case of Clinton Larsen, of Brigham Young University, who made a running high jump of 6 feet 7 3/4 inches at Provo, Utah, on June 1, 1917, the board ruled that the mark was made in exhibition and in competition and therefore could not be allowed as a world's record.

In the men's swimming records the time on the 200-yard relay for four men was cut from 1:45.4 to 1:42.1. The record was made by the Yale team in New Haven, Conn., on February 28, 1917, in a 25-yard tank.

In the women's swimming records the 200-yard record in a 20-yard tank, made by Elizabeth Turgeon, at Philadelphia, April 14, 1917, was changed from 4:27.4 to 4:27.1-5.

Bay's Record Allowed.

The 200-yard record made by Miss Mabel Arkie, of the Philadelphia Turgeon, on April 14, 1917, was changed from 4:27.4 to 4:27.1-5.

SOLO STRIKE DECLARED

Cigar Store Games in Butte Now Cost 20 Cents Hour for Chairs.

BUTTE, Mont., Nov. 19.—The high cost of living took new turns today when cigar stores announced that solo, cribbage and pinocle players who insist on playing these places will have to pay 20 cents an hour for their chairs instead of 15 cents as heretofore.

Many of the card experts have not missed their social games in years, but today they have organized a "strike" against the cigar stores, and one man, who says he has played solo every evening for the last ten years, declares not a card has been turned in the cigar stores during the last two days.

The large crowd which boarded the Multnomah Anglers' Club special train for the Nehalem River Saturday night and returned Sunday night found the water low for real good fishing. There were nearly 80 anglers on board, and most of them had fair luck, but as good as had been expected, J. W. Putney caught the largest silver-side. It weighed 13 pounds. John Drenan hooked the largest number, bagging six big fish.

BOXERS OUT TO WIN

Hard Hitting Lads Training With Vim and Vigor.

TRAMBITAS AFTER RECORD

Muff Bronson, With Regained Confidence, Promises to Make It Tropical for New Nemesis of Lightweight.

Muff Bronson and Alex Trambitas are training with vim and vigor for what promises to be one of the best six-round battles ever witnessed in the local ring. Both boys have everything at stake and will have to fight their best. Trambitas, the latest of the fistie sensations in this part of the country, is going like wildfire and close friends and admirers of the 16-year-old lightweight already have rosy dreams of a championship for him.

Muff Bronson the lightweight champion of the Northwest and the Pacific Coast will not be far distant, as there are few boys at Muff's weight that will beat him when he is traveling at his present stride.

Bronson also has thoughts of the future and since his sensational showing against Willie Hoppe has regained his confidence and does not intend to go down to defeat at the hands of the nemesis of the Northwestern lightweight without a battle.

Both Muff and Alex are hard-hitting, clever and shifty boys, a combination which cannot be filled on. Bronson always goes his best when his opponent leads to him and Trambitas can be depended upon to give him all the leading he wants.

Harry Anderson, lightweight champion of Canada, who will box Pete Mitchell, the battling Dane, in the semi-finals arrived here yesterday from Seattle, and will start training at once.

Pete started working out yesterday, boxing several rounds with Jack Wagner.

The match between Anderson and Mitchell looks up as the best semi-final bout here in some time.

Weldon Wing will start his campaign to regain his featherweight title of the Northwest, meeting Charley Givens, the clever Seattle featherweight. This will be Givens first start here and he is out to make good. Charley fought a four-round draw with Joe Gorman in Seattle awhile back, and is confident he will take Wing's measure.

Lloyd Madden has a hard nut to crack in the person of Fred Gilbert, the Bend welterweight. Many of the fans think that Lloyd has bitten off more than he can chew, but Gilbert does not seem to be worrying the Seattle mixer.

Ted Hoke will exchange greetings with George McCarty in the curtain raiser.

Eddie O'Connell, manager of the Northwest Athletic Club, has notified

Jack Fahle, manager of Alex Trambitas, and Joe Flanagan, manager of Muff Bronson, that they must get together today and decide upon a referee or he will put it up to the Boxing Commission. The Commission will hold a meeting tonight.
