Columbia Prep played its final game of the 1917 football season yesterday and celebrated the completion of a successful season by whitewashing the Hill Military Academy eleven 36 to 0.

Field Goal Try is Failure.

A double fumble marked the start of the game. Hill kicked off to Shipley, who lost the ball on a fumble, only to regain it on the next play on Churchill's fumble.

One Score Not Allowed.

A peculiar happening marked the close of the first half. Allen broke away from the play and ran 69 yards, putting the ball between Hill's goalposts, but while he was running the whistle blew for the close of the half and the score was not allowed.

Newsy Notes for the Clay Target Breakers.

GOVERNOR THOMAS E. CAMPBELL was a participant in the recent Arizona state tournament. More than 150 automobile golf and country clubs have installed complete trapshooting equipment during the past year.

DUCK HUNTERS FEW

Nimrods Stay at Home, Since Birds Are Not Fed.

WEATHER HINDERS SPORT

Hard Rain Declared Needed Before Hunting Will Be Good—With Grain Being Saved, Ducks Fly South to California.

Due to Food Administrator Hoover's advice to Oregon Food Commissioner Ayer, urging hunters to conserve all grain formerly fed to ducks, hardly 30 per cent of the usual number of Oregon nimrods have hunted birds this fall.

Good weather such as the districts around Portland have experienced the last few weeks has also greatly decreased the number of birds.

Walter Honeyman, probably one of the best duck hunters in Oregon, returned Monday with only nine birds. He said that until the real fall weather begins, the birds will remain scarce.

It is known that where food is not offered, the ducks immediately fly to California and this being the case in the Oregon districts, it is doubtful that the birds will remain here longer than ten days before starting for the south for the winter. Another big factor in the situation is the light rainfall of this season.

Ordinarily lakes at this time have been brimful of water; today they are virtually dry.

The Philadelphia Trapshooters' League has done away with the Lewis Class system and installed a class system of its own, the classes being made up by the secretary.

Hundreds of women are taking to trapshooting. There are as many women trapshooters now as there are women golfers.

R. H. Bungay, of Venice, Cal., is doing remarkable work at the traps. In a recent tournament at Los Angeles he broke 395 and 400 at Venice later he broke 395 out of 400.

There were big men, fat men, lean men, short men, tall men, rich men, poor men, millionaires, laboring men and all other kinds of men not mentioned in the Grand American Handicap—all meeting on common ground. In no other sport is the spirit of democracy shown as in trapshooting.

Two state championships have been decided lately. H. P. DeMund won the title in Arizona and R. A. Hall in Virginia.

In a recent shoot at Venice, Cal., a squad composed of Pfirman, Mellus, Bungay, Dodds and Whitcomb, broke 47x500 targets, each man shooting from 20 yards. This is more than likely a record for 20 yards squad shooting.

Pfirman and Mellus each broke 93; Whitcomb, 94; Dodds, 96, and Bungay, 97.

Hundreds of professional ballplayers talk to trapshooting in the off season. Breaking the clay targets, they assert, is the best mental diversion for all men.

Trapshooting is now done on an extensive scale in the Philippines, Panama, Alaska and Hawaii. It is a sport that follows the flag.

Aberdeen Men to Shoot. ABERDEEN, Wash., Nov. 20.—(Special.)—Forty shotgun men of the Harbor are expected to participate in a turkey shoot to be held here next Sunday morning. The event will be handicapped affair, and some 30 birds will be given away.

BEZDEK IS CHOSEN TO REFEREE BOUTS

Portland Fans Take Great Interest in Coming Bronson-Trambitas Clash.

BOTH FIGHTERS CONFIDENT

Semi-Windup Between Peter Michie and Harry Anderson Gives Promise of Being Fully Up to Main Event Standard.

After a session lasting several hours between Jack Fahle, managing Alex Trambitas, coach of the University of Oregon football team and manager of the Pittsburgh National League baseball club, was chosen to act as referee at the boxing bouts next Friday night.

Matchmaker O'Connell spoke to Coach Bezdek last night over long-distance telephone and the famous coach advised O'Connell that he could arrange his plans he would officiate. He will give a definite answer today.

An air of absolute confidence pervades the Bronson training camp, which is located at Mike Butler's Training School in the Northwest building. The young phenom has done everything goes through his daily workouts bodes ill for the championship aspirations of the highly touted Roumanian. Bronson has engaged an extra sparring partner in Abe Gordon, the fast little Hebrew fighter. The idea of adding Gordon to the Bronson training corps is to develop speed. "Muff" Bronson predicts that he will win via the knockout route.

Trambitas' Record Good. Trambitas, though not as experienced in the ring as is Bronson, has shown by his last few fights that he is to be reckoned with when the bell rings. The young phenom has done everything that has been asked of him in masterly style and his supporters predict he will dispose of Bronson in the same sumo fashion that he has his other opponents.

The semi-windup between Peter Michie and Harry Anderson gives every indication of being up to the standard of the event. The winner of this bout will be in line to meet the winner of the main event.

Fred Gilbert, who has won a warm spot in the hearts of a large number of fans by the manner in which he has handled the bout with Seattle's popular 140-pounder, Lloyd Madden.

Given to Meet Wing. Charles Givens, the Seattle featherweight, who will make his first local appearance, expects to score an easy victory over Weldon Wing and thus obtain a right to a bout with Joe Gorman for the Northwest title. Givens recently boxed a draw with Gorman in Seattle and is confident if he is able to get the little Oaklander into the ring again that he will relieve him of his title.

SOLDIERS TO PLAY HOOD RIVER. 12th Company to Meet Fire Department and High School Team.
