# Situation Is Clearing.

"But behind or beyond all this anparently hopeless chaos the forces which made Russia an empire are not idle and those who know Russian history understand perfectly well how matters will end.

"Even as I write the situation is becoming clear. The elections to the constituent assembly will take place, but the constituent assembly will not meet success. The Bolsheviki movement, whatever that movement may really mean, already has damned the constituent assembly.

"Meantime I would call attention to the following facts:

## Gold Reserve Is Safe.

"The vast gold reserve of the Russian empire, which was removed from Petrograd to the Kremlin in 1913, was later carried still further into the interlor. It is in safe hands.

"General Kaledines, hetman of United Cossackdom, is in secure possession, with trustworthy and disciplined troops of all arms of all those regions of European Russia that produced a harvist this year, and is rapidly capturing those remaining territories upon which Russla relies for its daily bread.
