# Getting-Ready-for-Christmas Sales

## MEN! This Is the Day

That Marks the Culmination of Months of Planning and Buying—The Greatest Day on the 1917 Calendar of Neckwear Events

**Beginning at 9 A.M. We Launch**

The Neckwear Sale of UNIVERSAL Importance

## Meier & Frank's Xmas Sale of TIES

THE sale in which every man and every woman who buys for a man can share. Called the "Christmas Sale," because it brings at generous savings the very neckwear that will be in demand during the holiday season; because more people will choose gift ties from this sale's assortments than during any previous neckwear sale of the year.

And to enable everyone desirous of purchasing beautiful neckwear, whether for self or Christmas gifts, to secure exactly the kind wanted and at a price within the range of one's individual ideas of proper expenditure, we've divided this great lot of over 6000 beautiful silk ties into four groups—each group extraordinary, each one offering unequalled saving opportunities, each worthy in itself to be the subject of a separate sale.

All new and perfect. All high-grade four-in-hand silk scarfs from leading manufacturers. This sale is incomparable in the choice it affords, as well as in the savings it brings. Choose gift neckwear at wonderful price concessions now from the finest stocks in the West. Buy while these stocks are complete. **WE WILL HOLD PURCHASES MADE NOW FOR LATER DELIVERY IF DESIRED.**

It would take a whole page to even enumerate the weaves, patterns and colorings in this sale. Three of the groups are entirely new—none of the ties ever shown before. And we've added so many hundreds of new arrivals to the fine ties left from our previous \$1.35 sale that this, too, is practically a new assortment. Buy in group lots—the savings are bigger this way and you are surer of having enough ties for your purpose. We will enclose them in gift boxes if desired.

The sale starts at 9 o'clock sharp today. Here are the sale prices—you'll have to see our displays to appreciate the extraordinary values. Look in our Morrison-street windows.

## Santa Claus Is Making Things Lively

Thousands of little boys and girls have already chatted with Santa and they've enjoyed one another's company immensely. Every child should be given an opportunity to meet Santa Claus. All you have to do is to bring the children to our sixth-floor auditorium in the morning between 10 and 12 o'clock, or in the afternoon between 2 and 5. Santa Claus radiates good cheer and kindness, and all who come in contact with him get the spirit.

### All Are Welcome

Santa will help all the kiddies with their gift problems, and if they are too shy to whisper in his ear they can write him a letter and mail it in Santa's own box. As you know, his house and mailbox are located conveniently to one another on our sixth floor.

Just one floor below Santa's abode is Toytown, with its myriad of toys and dolls and games. A visit to the store is not complete without a trip to Toytown. You can get countless small things to delight the children, as well as the most exclusive toy or doll you could desire.
