ITALIAN HEADQUARTERS IN NORTHERN ITALY

Dec. 5.—Heavy enemy forces, estimated at ten divisions, today launched the expected attack upon the Italian lines on the Asiago Plateau in an effort to penetrate the Astico Valley leading to Vicenza and the open plain. This offensive is regarded as a supreme effort of the enemy to crush the Italian arms.

Bombardment Is Heavy

The resulting troops of the enemy attempted their advance after an exceptionally heavy artillery bombardment, which began last night and continued until 9 A. M. today.

Valley Is Austrian Goal

The violence of the artillery action left little doubt that this was a prelude to infantry advances in force, whereby Field Marshal Conrad von Hotzendorf, who is directing the Austrian forces in this sector, hopes to realize his project of pressing down the Astico Valley into the plain.

BRITONS APPROVE WILSON'S MESSAGE

Voice of Statesman Whose Vision Comprehends World, Says London News.

CLEAN SLATE IS DEMANDED

"No Half-Tones in President's Address," Declares Times, "No Hints of Compromise to Raise Spirits of Pacific."

CLEAN SLATE IS DEMANDED

LONDON, Dec. 5.—President Wilson's message to Congress has the fullest possible prominence in the morning newspapers, but it reached London too late for much considered comment.

CLEAN SLATE IS DEMANDED

"It would be affectation to pretend that this language echoes the declarations of the European spokesmen of the alliance. It is the voice of a statesman whose vision comprehends only half a world."

CLEAN SLATE IS DEMANDED

"There are no ambiguous phrases on which militarists may feed the illusions of their dupes, no hints of compromise and no suggestion of faltering or doubt to raise the spirits of the pacifist. . . . With this straightforward and logical statement of America's war aims the last hope of the pacifist must founder."

CLEAN SLATE IS DEMANDED

"The Times reiterates that formerly it expressed dissent with President Wilson's distinctions between the German people and their ruler, and says it can no more distinguish between them than the President can any longer distinguish between Germany and Austria-Hungary, believing them willing accomplices of their ruler."

CLEAN SLATE IS DEMANDED

"None of the editorials dwell especially on the request for a declaration of war against Austria-Hungary, but brief references imply that it is regarded as logical and desirable."

CLEAN SLATE IS DEMANDED

WASHINGTON, Dec. 5.—General Pershing today reported to the War Department that the names of two men killed in action in France, seven men severely wounded and four slightly wounded.

"The individual responsibility of the headquarters staff and the commanders at sea to their governments concerning immediate operations, as well as the employment of strategic and tactical forces placed under their command, will remain without change. The council will be composed of the Ministers of Marine of the nations represented and the Admiralty chiefs. As the meetings of the council will be held in Europe, the United States and Japan will be represented by officers appointed by their respective governments."

American songs are sung mostly, with an Italian officer who has spent several years in England and America, as the pianist. The Easiest Way to End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.
