HEADLINER PROVES ARTISTIC AND PICTURESQUE ACT. Five Other Original and Novel Offerings Make Bill Exceptionally Good.

In a pictorial sense and musically and in a terpsichorean way the Seven Variety Dancers at the Hippodrome on the new bill opening yesterday prove a veritable sensation. This artistic act is made up of three men and four unusually attractive girls, who smile happily throughout their act and who seem bent on serving up only pleasure for their audience. The four girls are smartly arrayed and the men wear evening clothes. Their act is diversified dancing, opening with a dashing ensemble followed by individual specialties and brilliant ballroom dancing and closing with a series of picturesque native dances set in a gypsy camp. It is all exceedingly artistic and high class. "Masters and Mistresses of Terpsichore" is the billing, and the act proves that the seven are all the title declares them to be. "The Chap From England" is Vincent and "The Maid From America" is Miss Carter. They feature a keen little novelty in which Vincent endeavors to make a balky motor go on its way. The chatter of the two and the breezy repartee is all new and keeps the audience laughing. Al Prince is a prince of an entertainer. He strolls in, nattily garbed, and proceeds to take the folk out front into his confidence regarding delightful personal events and keeps 'em laughing at him. Another single is Barney First, billed as "The Dancing Hebrew and Parody

**Singer,** both of which titles he lives up to humorously.

The Tetos are novelty equilibrists. Their act, a daring and original one, is performed on top of a high pedestal. Alice Teddy, the famous trained bear, has returned and again does her skating act and performs her other clever tricks. The photoplay feature is "Please Help Emily," a comedy starring Ann Murdock.

**CITIZENS TO ENFORCE LAW**

Centralia Endeavoring to Suppress Illegal Sale of Liquor. CENTRALIA, Wash., Dec. 13.—(Special.)—In response to a letter addressed last Friday to the Lewis County Commissioners, asking their support in suppressing the illegal sale of liquor in Centralia, Mayor John Galvin was this morning notified by J. T. Diven, chairman of the County Board, that the board had instructed Sheriff Berry and Prosecuting Attorney Cameron to use their best endeavors to attain this end. At a mass meeting held in the Commercial Club rooms last night, J. B. Williams was instructed to appoint a committee of 25 citizens to co-operate with the city administration in enforcing the liquor laws. This committee will report at another meeting to be held next Wednesday night.

Mark of the Suburbanite. Birmingham Age-Herald. "There goes what you might call the average suburbanite." "How do you place him?" "He's carrying home something his wife asked him to get at a department store, a steak, a head of lettuce, and a new record for his phonograph."

**GILLIAM MAN ACCUSED**

IMPROPER INFLUENCE IN SEGREGATING INDIAN LANDS ALLEGED. Investigation of Charge That Public Area Is Used for Grazing of Private Herds Put Up to Officials.

OREGONIAN NEWS BUREAU, Washington, Dec. 13.—Charges laid before Representative Sinnott by the master of Ignace Grange, of Ajax, Or., allege that improper influence has been brought to bear on the Indian bureau to secure the segregation of a tract of land in Gilliam County for the Kikokit and other Indians. It is the policy of the Indian bureau, under authority of Congress, to set apart tracts of Government land in Western states for the benefit and use of Indians who are homeless, and pursuant to this policy an apparently influential stockman, according to the charges, has had a reservation made in Gilliam County, ostensibly for the benefit of the Kikokit Indians, but actually for his own use and benefit. The stockman who urged the creation of this reservation has been designated, it is said, as allotting agent for the Indians, but, while acting in this capacity, he has hundreds of head of his own cattle now grazing on the lands set apart for the benefit of the Indians. Representative Sinnott, in transmitting the charges to Commissioner Sells, has asked that an investigation be made and appropriate steps be taken if the charges are well founded.

Montana Livestock Shipped Out. BUTTE, Mont., Dec. 8.—Because of a lack of feed and water, Montana stock-growers are disposing of a large part

of their livestock, Charles Long, superintendent for a transcontinental railroad, declared here recently. Fully 60

per cent more livestock has been shipped from Montana to Eastern markets this season than a year ago, he

said, and there will be a big demand for animals to replenish the herds in the Spring.

**SICK WOMAN HAD CRYING SPELLS**

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Enbaut, Pa.—"I was all run down and weak inwardly. I had female troubles and nervous feelings and my head bothered me. I would often have crying spells and feel as if I was not safe. If I heard a noise I would run and lock the door so they would not see me. I tried several doctors and they did not help me so I said to my mother 'I guess I will have to die as there is no help for me.' She got me one of your little books and my husband said I should try one bottle. I stopped the doctor's medicine and took Lydia E. Pinkham's Vegetable Compound. It soon made a change in me and now I am strong and do all my work." —Mrs. AUGUSTUS BAUGHMAN, Box 86, Enbaut, Pa.

Why will women continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound? If you would like free confidential advice address Lydia E. Pinkham Medicine Co., Lynn, Mass.
