FALL MOHAIR SHORN

Experiment Is Tried by Growers in Douglas County.

SMALL CLIP TAKEN OFF

Operations, It Is Believed, Can Be Carried On Successfully in Southern Part of State-Domestic Markets Are Not Active.

With the open season to date, goat raiser in Douglas County have been experir with Full shearing of mohair. It leved the process can be carried on suconstally, so far as the goats getting through the Winter is concerned, in Douglas County at least, and probably also in Polk County. Weather conditions in Lincoln County would not make Pall shearing practicable there. Only a small amount of six months hair as taken off in Douglas County, and most

t has now been sold. Dealers are quot of mehair, and they consider 50 cents as the outside price on 12 months hair in view of the present inactive demand from the Dalrymen Blancel for Small Supply of Yeal Eastern mill centers.
