DIVIDEND DECLARED IN FACE OF DEFICIT

Baltimore & Ohio to Make Regular Semi-Annual Disbursement.

WILLARD QUITS WAR BOARD

Chairman Says His Duties as President of Railroad Make His Retirement From Service of United States Necessary.

WEW YORK, Jan. 16.-In declaring the regular semi-annual dividend of per cent on the common stock of the Baltimore & Ohio Railroad today in face of a deficit for the past year, directors of the road issued a statement saying they expected that any basis of compensation which might be determined upon for the Baltimore & Ohio under Federal control would prove sufficient for the maintenance of the

5 per cent annual rate.

The statement explained, however, that the declaration of the 2½ per cent semi-annual dividend today was not decided upon with a view to operations under Federal control, as that matter has not yet been definitely de-WASHINGTON, Jan. 16.—Daniel Wil-lard, president of the Baltimore & Ohio Railroad, has resigned as chairman of the War Industries Board. His resigna-

Honolulu Officials Threaten to Take Matter Up With Fuel Administrator Garfield Unless Oil Interests Act at Once.

HONOLULU, T. H., Jan. 5,-(Special.) hailing sign is the hearty handshake, the Greeters of America.

It was largely for the purpose of discussing plans for the National convention of hotel men that the Greeters of Oregon assembled in session in Portland yesterday, jollied one another with professional fluency and devised with members of the congregative by prominent Methodists of the city and by members of the congregative was held.

The meeting was opened last night with an informal address of welcome by Dr. William Walkoe Youngson, in which he told of the progress of the church under the leadership of Rev.

Mr. Smith. Other informal talks were given by prominent Methodists of the city and county of Honolulu that sufficient fuel oil will be supplied so that the water pumping-stations throughout -Fuel Administrator Garfield, at the water pumping stations throughout the city can be maintained.

As the city supply is from an artesian source, the water must be pumped to the various districts and the five pumps for this purpose are op-erated on a fuel oil-burning basis. Re-cently the city called for bids on the oil supply, but no bids were received and when the local representatives of the oil interests were interviewed they stated that the home office controlled

the supply to the Hawaian Islands.

The Board of Supervisors appointed a committee to confer with the local representative of the oil interests and threatened that unless some assurances were given of an immediate and con-tinued supply the city would appeal to Administrator Garfield. The have wired the home office, but no re-ply has been received and unless it is received shortly the civic officials will ommunicate with Washington, D. C.
