Reduced Consumption Atm. "Explanation-In 'wheatless' days and in 'wheatless' meals of other days, use

no crackers, pastry, macaroni, break-fast food or other cereal food containing wheat and use no wheat flour in any form except the small amount that may be needed for thickening soups or gravies, or for a binder in cornbread and other cereal breads. As to bread, if you bake it at home, use other cereals than wheat, and if you buy it, buy only war bread. Our object is that we should buy and consume one-third less wheat products than we did last year.
