The Land of Sunshine and Sights to See

COME TO CALIFORNIA AND SAVE THE COAL. THE TRAINS THAT BRING YOU, THE HOTELS AND homes you live in, their heat, their light and their power come from abundant natural sources of crude oil, natural gas and hydro-electricity.

COME TO CALIFORNIA AND SEE THE MOVIES MADE. EIGHTY PER CENT OF ALL MOTION PICTURES are taken in Southern California.

COME TO CALIFORNIA WHERE YOU CAN WORK AND PLAY GOLF NEARLY 365 DAYS IN THE YEAR AND where the climate adds immensely to the values of industrial opportunities on every hand.

COME TO CALIFORNIA WHERE YOU ADD TO YOUR STRENGTH AND THE LENGTH OF YOUR DAYS. Here splendid hotels cater to the wants of the most discriminating. Here comfortable accommodations suited to every purse can be obtained. Swift, modern trains bring you here on time. Motors whirl you where you will o'er matchless highways and life is worth while.

CONSIDER THE LOW EXPENDITURE AN INVESTMENT. THE NECESSARY CONTRIBUTION TO YOUR health and welfare that makes possible your wartime subscriptions.

COME TO CALIFORNIA. THE LAND OF BEAUTY, FLOWERS AND SUNSHINE. A LAND WITH WONDROUS MOUNTAINS AND THE SEASHORE OF THE GREAT PACIFIC OCEAN.
