FARREN AND MUFF **BRONSON WILL MIX**

Coast Lightweight Titleholder Says He Will Stow Away Portlander.

BAY CITY BOXER IS FAST

Local Contender Is Equally Confident-Dolph Thomas, Champion's Manager, Is Peeved Over Comment of Fans.

BY JAMES J. RICHARDSON. Dolph Thomas, the dapper little man ager of Frankie Farren, who toppled Alex Trambitas off the pugilistic ladder of fame with a wicked right-hand mush on the point of the jaw a few -weeks ago, is preved at the way he has been treated by some of Portland's fistic fans, who are openly declaring
that it was a lucky punch that spilled
the Roumanias on the mat and that
lif Trambitus hooks up again with the
Californian he will reverse Farren's
win via the knockout route.
The completely Thomas is instifled in

- Undoubtedly Thomas is justified in -his attitude to some extent, but, on the other hand, the gray-haired "youngeter who is piloting Farren may not have to argue with Trambitas at all if the assertions of Muff Bronson and his manager, Joe Flanagan, are to taken seriously.

Match Held Important. Parren is scheduled to fight Bronson a the main bout of the Northwest Athletic Club's amoker next Wednes-day night at the Eleventh-street play-house. Farren claims the Pacific

house. Farren claims the Pacific Coast lightweight title. Fromeon lost a decision to Trambitas and has been hankering for another epportunity to mix again with the Rou-manian lad and reverse the decision

Riven Trambitas. Therefore, the Bronson Jarren bout is apt to decide a few other things than is the better man. Bronson says l will win from Farren. And Farren is Just as emphatic in his assertions that he can stow Bronson away as easily as he did Trambitas; all of which indicates that somebody is going to be shown up when the bout is over.

Farren Is Aggressive. Farren made a great hit with Port-land fight fans by the way he continually tore into Trambitas during their bout. Farren had no "set-up" when he baitled Trambitas, and the Fortland 18year-old fighter showed himself to be faster than Farren, but for some reason his punches lacked the "kick" necessary to take the steam out of Farren. Up until the San Franciscan whipp his right hand over on Trambitas' is you could have obtained odds of 2 to 1 That Farren would not win from Tram-bitas, so fast was the youngster trav-

Bronson maintains he was not in the best possible condition the night of his bout with Trambitas, having gone stale two days before. Muff is confident he can whip Farren after watching him fight Trambitas.

The Christian Brothers' Business ollege basket tossers won their first game of the senson yesterday by de-feating the Benson Tech quintet, 26 to 5, at the Washington gymnasium. Murphy, one of the C. B. B. C. guards, and Ryan, forward, were the individual stars for the Christian Brothers' team. Captain Scott, of Benson, stood out in the limelight for his school. A number of sensational shots were made during the game, some of them registering from the center of the floor. The game was cleanly played, with
