

WAR WORK CLAIMS BIG SHARE OF MEN

Two-Thirds of Class I Now Held Not Available for Military Service.

MALARKEY ISSUES NOTICE

Work of Physical Examination of Registrants is Halted by Order From General Crowder—Oregon's Quota Nearly Filled.

INSTRUCTIONS ISSUED TO CLASS I REGISTRANTS BY DRAFT OFFICIALS.

Until further notice, registrants of the state called by their local boards to appear for physical examination are asked to disregard the call.

Two-thirds of all registrants left in Class I by the Portland district draft board will not be available for military service because employed in war industries listed by the Emergency Fleet Corporation as guaranteeing deferred classification.

This revelation was made yesterday by Dan J. Malarkey, secretary of the Portland district board, who immediately incorporated in a report which Captain J. E. Cullison, director of the Oregon draft machinery, forwarded to Washington.

Class I Has 31 Per Cent.

Of the men classified an average of 31 per cent have been assigned to Class I. Figures given in by the three district draft boards of the state show that the average of Class I men on their records is 48 per cent. This is pointed to as definite evidence that the district boards are transferring much larger numbers of men into Class I than they are removing from it.

Means, in short, that appeals by men seeking deferred classification are seldom successful and that the appeal boards are actually removing from the rolls many registrants originally given deferred classifications by lenient local boards.

The district boards, each handling from 6000 to 9000 registrants' records, are reported as having finished to date but 40 per cent of their task. Thus far, but three appeals to the President from decisions of the district boards have been reported. The President has disposed of none of the three cases.

Through all local examining boards of the state will be a standard yesterday because of orders sent from Washington Saturday, the medical advisory boards were told to proceed with the examination of registrants seeking transfers and those appearing on appeals. These boards of the city had stopped work yesterday also until told by Captain Cullison to proceed.

Registrants who have received notifications to appear today for physical examinations should disregard the notices, said board members yesterday.

The hundreds of men who appeared yesterday before boards of the state were merely turned away. Most draft officials expect that several days will elapse before the regular examining resumed. Those called to appear on Wednesday and Thursday, however, may keep informed as to whether or not they need to come in by watching announcements in the press.

A message received yesterday by Captain Cullison from Provost Marshal General Crowder gave intimation that examination of physical examining may be delayed some little time, since it gave specific instructions for the filling of current draft quotas, a matter of little concern in Oregon, where only two or three counties may need an extra draft eligible or two.

Pertinent parts of General Crowder's instructions followed: "Direct each local board to proceed with the utmost expedition to examine physically a sufficient number of Class I men, in order to place in, to fill in, the percentage of the current quota, but not to proceed beyond that number, plus a reasonable surplus to care for cases that may be rejected on appeal. These examinations may be conducted under the old regulations until the new regulations arrive."

POPULAR MATRON WHO IS LIEUTENANT OF WOMAN'S DIVISION, ARMENIAN AND SYRIAN DRIVE, THIS WEEK.

Mrs. Edmund C. Gilmer

The engagement of Miss Edna Kindred to Lieutenant David J. Jordan, U. S. A., has just been announced by the parents of the bride-elect, Mr. and Mrs. T. A. Kindred. The wedding will be solemnized Saturday night in San Francisco, where Mrs. Kindred and daughter will arrive tomorrow. Miss Kindred is an attractive young girl and has been in training in the nurses' school at Good Samaritan Hospital for several months.

Mr. Jordan is a son of the late Colonel Jordan and Mrs. W. H. Jordan, a brother of Lieutenant-Colonel William H. Jordan, U. S. A., who is stationed with the 12th Infantry in the regular Army at the Presidio. The wedding will be a simple affair and the couple will have no attendants.

An event of importance on today's social calendar is the wedding of Miss Evelyn Carey to Lieutenant Charles T. Donworth, which will be solemnized at 8:30 o'clock at the residence of the parents of the bride-elect, Judge and Mrs. Charles H. Carey, at Riverside. There will be no attendants and the entire affair will be most simple and limited only to relatives with a few close friends of the bride-to-be.

Mrs. Louise King MacPherson and Leo Hahn were married yesterday morning at 9 o'clock in the First Presbyterian Church, Rev. Levi Johnson officiated. This was a small and simple service, only relatives being present. The bride wore a smart tulle affair of brown georgette cloth, with white tan straw and satin hat and fox fur. Her bouquet was of orchids and roses. Neither one had any attendants and they left immediately after the ceremony for Chehalis, where they will make their home for the next year. Mr. Hahn's business interests take him to Chehalis a great part of his time, so he has decided to make his home there temporarily.

Mrs. Hahn is one of the most attractive young matrons in Portland and is very popular among her large circle of friends. She is a daughter of Mr. and Mrs. E. A. King, a prominent old family of Oregon. Mr. Hahn also comes from a well-known Oregon family; he is a son of Henry Hahn, a brother of Mrs. Walter Gearin, who announced the engagement of the couple at a dance Christmas eve, and of Mrs. C. S. Lamont (Maude Hahn), of Seattle, who came down for the ceremony.

Mr. and Mrs. Ralph E. Williams will leave today for a trip of several weeks to St. Louis.

Miss Monterey Bohm, who was ill in San Francisco, Cal., for ten days, was obliged to wire Mrs. A. E. King to make the trip to New York. She is now in Santa Barbara, Cal., and as soon as she is able to travel will return to her home in this city.

Ivington Club members will give an old-fashioned dance and Valentine evening party at the clubhouse Friday evening. Members are going to don village attire and the clubhouse will be decorated to carry out the theme. Everyone should bring a valentine with their names on and the country postmaster will distribute them. So much interest is being taken in the party that a jolly good time is anticipated by all. Mrs. J. B. Ettinger, chairman for February parties, is being assisted by Mrs. J. E. Durkin, Mrs. E. E. Keirnan, Mrs. T. W. Waits and Mrs. A. J. Stewart.

Thursday evening the Laurelhurst drill team will hold its military ball at the clubhouse and a merry time is expected. Each member of the team is expected to appear in a uniform of some description, comic or serious, as long as it may be called a uniform, and no doubt, many will make the most of the opportunity to create fun and thoroughly enjoy the evening. Friday afternoon, at 2 o'clock, the club will entertain the members of the club at the clubhouse at bridge and "300."

Next Monday afternoon Mrs. Mabel Holmes Parsons will lead the members of the Study Club at the clubhouse at 2 o'clock and in the evening members and invited guests will dance at Cottlin Hall, the occasion being the regular monthly gathering of an informal dancing party and which has become known as "guest night," because of the privilege extended the members to invite friends for this one evening each month.

Miss Matilda Marjory Heiland became the bride of Lew Balle McKnight Saturday afternoon at the home of the bride's parents, Mr. and Mrs. August Heiland, 833 Missouri avenue. Rev. A. A. Morrison officiated and the wedding comes as a big surprise to the friends of the couple.

Both young people are well known in this city and the bride is an attractive and accomplished girl. The bridegroom was graduated from Lincoln High School in 1911, later attending the law school in University of Oregon. He is the only son of Mr. and Mrs. L. L. McKnight, of 204 Twenty-fourth street North, and he is connected with the sales department of the Blake-McCall Company.

EUGENE, Feb. 4.—(Special)—Announcement was made at a luncheon Saturday for which Miss Gertrude H. Miller was hostess of the engagement of Miss Gertrude Buell and Lieutenant Miller McGilchrist. The wedding will take place in Portland, February 13.

Miss Buell is a daughter of J. L. Buell, of Eugene. She is a graduate of the University of Oregon and a member of Delta Delta Delta, women's fraternity. Lieutenant McGilchrist is a graduate of the law school of the university and is a Sigma Chi. He is now stationed at Camp Lewis, American Lake, Washington.

Miss Buell has been teaching school this year at Hillsboro, but has resigned her position and will remain in Eugene until the wedding day.

One of the most delightful affairs of the first of the week was the supper-dance for which Mr. and Mrs. Walter Gearin were hosts, honoring the latter's sister, Mrs. C. E. Lamont, of Seattle, who came down to attend the wedding of her brother, Leo Hahn, to Mrs. Louise King MacPherson, which was solemnized yesterday morning.

larged our borders to receive their relatives and friends and changed our name to the Oregon Field Artillery Auxiliary, and this meets every Tuesday evening at 8 o'clock in room 328, Courthouse building. We have a committee of six women, three interested in either battery, to work conjointly with a similar committee, chosen from among the boys in service. From Battery A we have Lieutenant Jackson, Mess Sergeant Todd and Private Ditzon. For Battery B we have Lieutenant Gay, Mess Sergeant Wright and Private Klisch.

It is the duty of this committee to inform our committee of any needs they may have. Our ladies are also knitting for our boys as well as helping in the Red Cross work, which is for all boys in service.

"We urge all interested to come out and help us to take care of these 200 men from our state. We have some interesting letters from our men at the front to be read at the meeting tonight. These letters will be of interest to us all."

There are some unusually interesting official British pictures on display at the Red Cross Shop this week which were taken by the British government. They were sent to C. S. Greaves, of this city, who has kindly lent them to the Red Cross Shop have them for exhibition. They are of particular interest, because they reveal just what the Army is doing.

They show the Y. M. C. A. huts, the women ambulance drivers, the men at work building bridges, some German prisoners, the men resting in their trenches and many more pictures of equal interest. There are quite a number of them, so the exhibition is changed frequently.

CORA AND I WENT SHOPPING YESTERDAY AT CHERRY'S

And Practically Without Any Money.

Well, you should see the extreme values Cherry's are offering in suits and coats for a final clean-up sale. The like has never been seen before. Cora bought her a beautiful broadcloth suit for \$24.75, and the fit was just grand. She says that she never had anything to equal it in all her life at even twice the money.

I bought myself a beautiful plush coat, reduced from \$65 to \$37.50. Yes, I know that it is getting a little late in the season to buy a winter coat, but the prices are so much cheaper now than they will be next Fall, and materials, believe me, it is the only system. I got a good investment—besides, I got a chance to buy a winter coat at a price that is just as good as the money I can arrange to pay in that payments, just as it is most convenient. In this way, you see, the first thing I know I have my garment all paid for, have been getting the use of it all the time, and do not even miss the money or have to stint and plan to save up enough to buy and pay all cash.

Believe me, it is the only system. CHERRY'S are located right in the shopping district—359 Washington St. So don't fail to go and look over their merchandise.—Adv.
