Deputy County Clerk Reid, who had charge of the license bureau Săturday afternoon in the absence of Deputy Clerk McGrew, said yesterday that a man came to the window late in the afternoon and asked for a blank marriage license. The man would not say why he wanted to secure it. Several men were with him at the time, Mr. Reid said. He could not give any description of the man, as he had given no thought to the incident.

It is now believed that this man in some manner gained access to the office later and secured the blank license. Mr. Beveridge has notified Sheriff Hurlburt of the theft and every effort is to be made to locate the missing license.
