Multnomah and Portland Campaign for Volunteers in Full Swing Today.

### INTEREST IS WIDESPREAD

Enrollment Does Not Compel Man to Accept Any Shippard Position Offered, but Affords Opportunity to Serve Country.

With the up-state campaign for the United States shippard volunteers well United States shippard volunteers well organized and enrollment agents ready to register recruits in each of the 23 entside counties, the Mulinomah County and Portland "drive" will be in full swing before night. The indications are that there will be heavy registration on the opening of the local enrollment agencies this morning.

State Director Griffith will be assisted by the Federal Employment Bureau, the Central Labor Council and

Bitate Director Griffith said last might.

It is time for every man, woman, boy and girl in America to learn that the fats of our country hangs in the halance and turns on the question of shipbuliding. It should come home to us now that all our military preparation, our draft, our food saving, our hond buying, our knitting, our Red Cries and other work, that all these are to no purpose unless our shipbuliding plans succeed. There are things better than money contributions that each individual of us can do to help, and right now it is the uppermost duty of an American to do them.

There are three more graves isolated from the rest, in front of the wall, where it rises before the buildings.

mportant was work: Harry Anderson, midding Trades office, Labor Temple, 8255 Second street: J. O. Wilson, Foodmen of the World office, East Sixth and Alder streets; A. W. Jones, Public Employment Bureau, 247 Davis street, and Eugens E. Smith, country enrollment agent, 627 Pitteck block.

# struction in Philadelphia.

When operating at full capacity the factory will employ 2000 men. Everything that goes into the manufacture of the scapiants is being made in the Philadelphia district, from the motors to the silk and lines for the machines.

LONDON, Peb. 1.—The petatu crops of the methods of Germany since July, England and Wales, on which the vn. 1214, we swear that we will not (a) rious food controllers have placed so much reliance in the matter of conserving brands and flour, are turning out or through a Germany (b) transact business with ing bread and flour, are turning out or through a German for five years mated at 2,233,905 tons, a 32 per cent God."

Increase over 1316 and the largest crops recorded since 1885.

things better than money contributions that each individual of us can do to help, and right new it is the uppermost duty of an American to do them.

Quarter Million Skilled Men Wanted.

"Building must be speeded; 356,000 men will be needed within the year to supply our shipyards. This drive calls for the enrollment of 150,000 skilled men throughout the Nation, of which number Oregon must furnish the minimum quota of 5204. But we will not succeed as Oregon has succeeded in all other patriotic drives unless we go over the top with a much greater showing than that to our state's credit."

The following enrollment agencies for registration of skilled men who desire to enlist are now open for business. Any man who can use tools is qualified for curolinent in this all-limporthat was work: Harry Anderson, Building Trades office, labor Temple, 1874. Second street: J. O. Wilson. that the latter have not for the dead the attention and the care, the signifi-cance of which has been transmitted to us by an older past; their gare seems to be more riveted upon the living.

to be more riveted upon the living.
