GRAIN PRICES FALL OFF
Stock Shipments in January Less Than Month Before.

MOVEMENT IN NORTHWEST
In Eastern Sections Increase in Hogs Marketed Offsets Decrease in Cattle and Calves—Lowa and Illinois Lead as Shippers.

A summary of the daily telegraphic reports made by the Bureau of Markets by railroads shows 122,076 cars of cattle and calves, hogs, sheep, horses and mules and mixed stock loaded west of the Allegheny mountains during the month of January 1918, compared with 124,254 in December, 1917.

The number of cars loaded in the Northwest States and in California in January, 1918, were as follows:

SEALED STOCKS STRONG
RUMORS OF BENEFICIAL DEVELOPMENTS LIFT PRICES.

TOBACCO, SUGARS AND MISCELLANEOUS
Specialties Also Higher—Steel and Rails Under Pressure.

NEW YORK, Feb. 6.—Steamship shares and a few special issues bearing no direct relation to that group were the outstanding feature of today's stock market.

The movement in shipbuilding was attributed to rumors of beneficial developments in that industry.

Lower quotations ruled in the bond list, with a few exceptions.

FEED NEEDS LARGER
More Corn Will Be Consumed on Farms Than Expected.

NO PRESSURE ON MARKET
Increase in Livestock Supply Causes Reduction in Estimates of Quantity of Grain Producers Will Have to Offer.

CHICAGO, Feb. 6.—Assessors that for the remainder of this season no prospect existed of a pressure of foodstuffs on the market tended today to reduce prices of corn. Prices averaged slightly higher throughout the session and closed steady.
