Praise for the efficient work of the Oregon State Guard, members of which are detailed from Companies A, B and C, of the Portland battalion composed of Spanish-American war veterans, is general among municipal officers and heads of industrial plants along the waterfront, where the "boys of '38" are doing their bit.

HOME GUARD MAY BE 4000

Acting Adjutant-General Receives Many Applications.

"A home guard of 4000 members could be organized in Oregon in one day if we had the equipment for them," said Lieutenant-Colonel Williams, acting Adjutant-General of the state, yesterday.

Colonel Williams has had all his time for several days taken up with correspondence from all parts of Oregon in which offers have been made to organize companies of home guards. He is urging all of them to go ahead and organize, though he can promise them nothing in the way of equipment.

Why Kidneys Kill

Because they are diseased. Two sound active kidneys are necessary for sound health. They must act as filters, cleansing the blood of the poisonous waste matters taken up in its course through the body.

When the kidneys are sound and active they do their filtering work perfectly. When they are weak and diseased they fail to do their task, and the whole human body suffers from this poisonous blood.

FOLEY KIDNEY PILLS are just what is needed to make over weak, ailing, aching kidneys into strong, healthy active ones.

Start taking Foley Kidney Pills today, and backache, lame back, stiff swollen joints, dull weary headaches and tired-all-over feeling will quickly pass away. Regular kidney and bladder action, clean blood, good health, sound sleep, and no more dull weary pains or headaches, will be your sure reward.

Your druggist sells them. Remember the name Foley Kidney Pills. They are the best.—Adv.
