Rev. E. V. O'Hara Tells of City

Tenements, Sunless, and Having but One Sanitary Equipment for by Photographs.

Portland has a tenement-house probem that requires immediate attention. Conditions that most of those present had not even dreamed existed in the ity were brought to light by Rev. Father E. V. O'Hara in an Illustrated lecture before the Portland Realty Board yesterday on "Housing the Mul-

Six families cooped up in one amall, ark, dirty house, sharing inadequate sanitary facilities with other families similarly crowded; hundreds of rooms where little children live, into which the sunlight never comes; dark tenement buildings where as many as 15 amilies all use the same sanitary quipment. He in unhealthy rooms and have no place to play but the streets, were some of the facts he brought out in the course of his lecture. He illustrated conditions in these houses and tenements by photographs shown on the screen.

little children, live and sleep.
He showed photographs of dark halls in tenement buildings leading to a common sink and tollet that 12 to 15 families used in common. He emphasized particularly the fact that of the workingmen's houses, most had been built so there was no backyard or other yard space at all.

"If I were asked for one typical phase of Portland housing conditions." se said, "I would say it to the jamming of one and two-story houses together

Dr. Pence will begin a series of Sunday evening sermons at Westminster Presbyterian Church on "Life's Metaphors." "The Soldier, Athlete, Builder, Farmer" is richly suggestive by way of illustration of a better and more intensive life. These four phases of human activity loom largely now and fill the eye, and now is the time to read big moral lessons out of them. Morning theme, "The Psychological Moment."

East Seventeenth & Schuyler Streets
