D.G. FREEMAN CHIEF

Director of Publicity for Liberty Loan Chosen.

EXPERIENCE IS VARIED

Ex-Portland Newspaperman Will Be Aided in Work by Staff of Competent Assistants—Campaign Will Be Thorough One.

Announcement was made yesterday of the appointment of Dan C. Freeman as general director of publicity for the third Liberty loan campaign in Portland and Oregon by Robert E. Smith, executive manager for the state. All matters pertaining to the drive will be issued under the supervision of Mr. Freeman's bureau.

In the selection of Mr. Freeman as director of publicity, the Liberty loan committee chose one who has for many years been actively engaged in various phases of public work and who is now on leave, for the period of the campaign, from his duties as advertising and publicity agent for the Spokane, Portland & Seattle Railway, with which company he has been successfully associated for five years.

Some years ago Mr. Freeman was employed on the editorial staffs of The Oregonian and the Journal, definitely desisting newspaper work in 1904, when he became assistant to the president of the Lewis and Clark Exposition in this city.

During the progress of the Alaska, Yukon and Pacific Exposition at Seattle, in 1909, Mr. Freeman served as special commissioner, having full charge of arrangements for special days and celebrations. Later in the exposition he was identified with the amusement concessions of the "Pay Streak," the exposition's thoroughfare of fun and novelty.

He was manager of the Oaka, Portland's amusement park on the Willamette River, for a period of four years, and was later employed for more than two years in commercial publicity for Lane County, with headquarters at Eugene.

As director of publicity for the Liberty loan drive, Mr. Freeman's offices will be in state headquarters, where he will be aided by a staff of competent assistants. His plans include the "overhauling" of all local Liberty loan affairs by the allotment of assignments to his staff members.

FURTHER BONDS PROPOSED

Tacoma May Vote on Big Issue for Light and Power.

TACOMA, Wash., March 14.—(Special.)—Whether Tacoma citizens will have a chance to vote on the \$4,000,000 bond issue to acquire additional light and power units now is up to the City Council. That body will meet next Tuesday to consider the ordinance. It is planned to submit the power ordinance to the people at a special election to be held April 16. On April 2 the voters will pass on the purchase of the Tacoma Railway & Power Company's electric lines. The bond issue is for \$5,200,000.

Army Orders.

SAN FRANCISCO, March 14.—The following orders were issued by the Western Department of the Army here today: Major Robert B. Williams, Medical Reserve Corps, is detailed as a member of the board of officers at these headquarters. First Lieutenant Charles B. Castlen, Medical Reserve Corps, Fort Lawton, Washington, will proceed to Vancouver Barracks, Washington, for duty.

UNMATH'S QUOTA NOTIFIED.

FENDLETON, Or., March 14.—(Special.)—Notices to appear at the Courthouse prepared to go to Camp Lewis as Unmathia County's quota of the latest call for troops were sent tonight to the following: IT men: Rudolph R. Probstel; Weston; Walker D. Davis; Hermiston; Grover Bowles; Athena; Virgil E. Willaby; Athena; Carl A. Anderson; Pilot Rock; Ernest C. Kupper.

CITY TO TAKE PROPERTY

MARQUAN GULCH OWNERS REFUSE TO SELL HOLDINGS.

Condemnation Proceedings to Be Brought for Land Needed for South Portland Children's Playground.

All owners of property in Marquan Gulch have refused to accept the offer made them by the city for their property, which is to be used for the South Portland playground for children. Accordingly, City Attorney John Roche was instructed yesterday by Mayor Baker to commence condemnation proceedings at once.

The city offered the property owners the assessed value of their holdings. Every owner refused this. Such refusals had been expected, but the offer and the refusal were necessary before condemnation proceedings could be instituted.

The task of acquiring the property will be rushed through as rapidly as possible. Condemnation proceedings will mean that the courts fix the amounts to be paid each property owner for his ground and buildings instead of the ground being purchased outright. While the question of offering the owners more than the assessed values was considered, Mayor Baker favored the condemnation course.

It is probable that arrangements will be made for the property to be ground for the children during the coming summer, inasmuch as it will be impossible to have the property in time for establishing of the playground this season.

VANCOUVER BANK TO BUILD

Institution Obtains Option on Lot at Seventh and Main Streets.

VANCOUVER, Wash., March 14.—(Special.)—The Vancouver National Bank, the largest bank in the city, today obtained option on a lot 50x100 feet at Seventh and Main streets, one block above its present location, from the Washington Development Company, which owns the St. Elmo Hotel and other property in Vancouver.

A Vanderapek, representing the Washington Development Company, played here today and gave the option. The bank will not build until it is favorable for the Government. The present quarters are growing too small for the increased business of the bank, which has increased its deposits \$290,503 in a year and a day.

WAR OPENED ON LEAGUE

SALESMEN GATHER TO DISCUSS NON-PARTISAN MENACE.

City and Country Salesmen Are Urged to Attend Meeting at Hotel Portland on Saturday.

To consider the purposes of the National Non-Partisan League and the effects of its activities on the general business of Oregon, salesmen in all lines will gather at the Hotel Portland at 2:30 o'clock tomorrow afternoon.

Both city and country salesmen are urged to attend.

"From our investigations we feel that it is the duty of every good citizen to use his every effort to unmask the secret workings of the organization," reads the call to the salesmen.

"By our efforts we may be able to save the farmer from his own folly and save him from the ignominy of the brand of disloyalty."

"The question that is to be decided at this meeting is whether we are going to sit quietly by and let a few notorious 'conscientious objectors' perfect a secret organization which will be entirely reactionary in its effect upon business, creating chaos at the time when every loyal American should be bending his every effort to have things run as smoothly as possible. It is not the purpose of this meeting to discuss or endorse and candidate for office or political question or issue."

RED CROSS TO MOVE ROOM

Vancouver Chapter to Use Basement of Congregational Church.

VANCOUVER, Wash., March 14.—(Special.)—The Red Cross workrooms will be removed from the United States National Bank building to the basement of the First Congregational Church. These rooms will be kept open from 1 to 5 P. M. each day, and those desiring to help will be given something to do. Mrs. G. W. Ford will be in charge of the work.

Members of the Vancouver Thimble Club and the Sewing Club will work there Tuesday evenings and those who can work at this time are invited to join with the workers.

U. S. OPERATION OPPOSED

Government's Plan to Take Over Oil Lands Denounced as Illogical.

WASHINGTON, March 14.—California oil operators appeared before a Senate committee today to oppose a bill providing for government operation of oil and gas lands in the California and Wyoming naval reserves. The Government's plan to utilize the reserves as a huge reservoir in which to conserve oil for the future needs of the Navy was denounced as illogical and impracticable.

F. E. Henderson, of San Francisco, assistant general manager of the Associated Oil Company, said that the plan was not feasible.

Boys Lost in Woods Near Kelso. KELSO, Wash., March 14.—(Special.)—Lloyd Comer, 16-year-old son of Mr.

The Juvenile Outfitters for Children 143 Sixth St., Opp. Meier & Frank's

and Mrs. J. M. Comer, of Carrolls, and a boy companion have been lost in the wilds of the Upper Coweman country since Sunday, when they left the Portland Lumber Company camp on Baird Creek, 25 miles from Kelso, on a hunting trip. There is three feet of snow on the ground in the part of the country, and the camp has been shut down while the crew has been engaged in the hunt for the missing boys. Mrs. J. M. Comer, mother of one of the boys, is working at the camp.
