"The one best thing to set you right - When you start to cough at night."

FOLEY'S HONEY AND]

COUGHING during the day is bad enough. The racking and straining weakens and debilitates the system. When you add the loss of sleep, the nervous drain, the irritation and annoyance of wakeful nights, a cold quickly "wears out" the sufferer, and he or she is in no con-

dition to ward off attacks of more serious sickness.

Prompt steps should be taken to check coughing at night—not only for the sake of the afflicted one, but for the comfort and health of the other members of the family.

How to Check Coughs and Colds Foley's Honey and Tar Compound brings relief from day or night coughs, whether the result of cold or is grippe bronchial

affection, spasmodic croup or whooping cough.

It is a boon to young and old—prompt, efficient, safe. Con-Foley's Honey and Tar clears the throat of phlegm and macus, stops the tickling in the throat, cases the hoarseness, opens the air passages for easier breathing, and coats the raw, inflamed surfaces with a healing, soothing medicine. One or two doese in the early evening usually frees the sufferer from attacks of coughing and enables him to enjoy a refreshing night's sleep. The genuine Foley's Honey and Tar Compound comes in three sizes—25c, 50c and \$1.00.
