

Kelly-Springfield

BIG—STURDY—OVERSIZED

CORD TIRES

We found out what Kelly Cords would do before we offered them for sale. The experimenting was all ours. The pleasure is all yours.

We made our tests with 500 Kelly Cords. If there was a Society for the Prevention of Cruelty to Tires, it would have interfered. We subjected those tires to the most inhuman treatment we could think of. We drove them over heavy, icy, rutty, winter roads, day and night, on cars weighted up to 5200 pounds, until we wore them out. We then averaged up the odometers and got over 12,000 miles for the 500 tires. You are not buying a new untried tire when you buy Kelly Cords. You are getting a seasoned veteran. They add new luster to the name "Kelly-Springfield."

HIGHWAY OFFICIAL OUT

R. A. BOOTH FAVORED TO SUCCEED ADAMS, SAYS GOVERNOR.

Executive Makes It Plain That He Is Going to Have Harmony on Commission if That Is Possible.

The term of E. J. Adams, of Eugene, State Highway Commissioner, expired at midnight Sunday and the appointment of his successor rests with Governor Withycombe. Mr. Adams, however, will not be reappointed. Governor Withycombe, who was in Portland yesterday, made that fact very plain.

"I shall appoint another Highway Commissioner as soon as I find a man who suits me," said Governor Withycombe at the Imperial Hotel. "But I shall not reappoint Mr. Adams. That much is settled. I am going to have harmony on the Highway Commission if that is possible. I regard this commission the most important in the state—too important to tolerate lack of harmony and co-operation among its members."

The appointee will be selected from the First Congressional district. Governor Withycombe's choice is R. A. Booth, of Eugene, but it is said Mr. Booth is disinclined to accept the appointment. If Mr. Booth turns down the commission, the appointment will probably go to one of the following men: F. A. Young, of Albany; H. W. Thompson, ex-County Judge of Lane County; Charles C. Hall, prominent young business man of Marshfield, or W. E. St. John, County Commissioner of Douglas County.

In speaking of her Houston recital, a critic said: "It was one of the most wonderful concerts ever heard in this city, and every music-lover is today praising Miss Hempel's glorious voice and the splendid programme she gave."

The programme for Wednesday follows: Aria, "Eral Involant" from "Eranit" (Verdi); "Come, Beloved" (Handel); "Fly in His Rock Charming Grace" (Old English); "The Rose Has Charmed the Nightingale" (Glinka-Korsakoff); "Bird Song" (Albini); piano solo, "Chanson Triste"

LENIENCY SHOWN TARDY

TIME LIMIT FOR FILING INCOME TAX RETURNS ENDS.

Excuse of Belated Mail May Not Work if Returns Are Not in Collectors' Office Today.

WASHINGTON, April 1.—Although persons who fail to have their income tax returns in the hands of revenue collectors by midnight tonight are subject to penalties, some leniency will be shown for returns which arrive tomorrow and for whose tardiness some good reason is presented, it was intimated today at office of the revenue commissioner here.

Some collectors, it was said, are expected to accept all returns arriving in tomorrow's mail, without question. Technically, however, the responsibility for having the returns in collectors' offices by midnight is on the taxpayers, and the excuse of belated mail service will be accepted only as a means of simplifying collectors' work. All revenue offices were instructed to remain open until midnight to receive returns. These were due under the law on March 1, but Internal Revenue Commissioner Roper extended the time for a month.

WOMEN AFTER POLICE JOBS

City to Have No Trouble in Getting Feminine Patrolmen; 65 Apply.

The city will have no trouble whatever in getting women policemen. This became apparent yesterday when Chief of Police Johnson laid on Mayor Baker's desk a stack of 65 letters from women applying for jobs under the ordinance passed recently creating positions for six.

These applications will be gone over this afternoon at 2 o'clock by a committee of women appointed by the Mayor and appointments will be made. The committee to make the selections includes Mrs. William MacMaster, Mrs. N. F. Johnson, Mrs. S. Blumauer, Miss Ida V. Jontz, Mrs. George W. McMath, Mrs. W. C. Alford, Mrs. G. J. Frankel, Mrs. N. F. Crouse and Mrs. John Manning.

and lot which he traded to Price for the store. Testimony showed that Gage had told Price that there was less than \$300 incumbrance on the house and lot, whereas it was found to be heavily mortgaged. The defense likewise alleged the confectionery store was not worth more than \$1000, although the jurors, in their verdict, held it to be worth \$2000.
