Face Wrinkled? Complexion Sallow?

Then Why Not Treat Your Skin as Beautiful French Women Dof

Paris — Science has discovered that faded motified aged-locking complexions can be virtually renewed and made surprisingly beautifal by means of the following recipe: Merely wash your face with butternilk and rub in a tempeoutiful of Creme Tokalon Elemented: wipe the face and apply Poudre Facchation—a very fine complexion gowder prepared especially for shiny moses and bad complexions. If your face is badly wrinkled, get a box of Japanese loe Pencils to use in connection with the reseated cream and you should get quick action on erea the deepest wrinkles. Thus do famous French actresses preserve the rare beauty of their complex form, and if you were to pay hundreds of dollars for special treatment you probably would not be anything like as well off as by using the aimple and incorporative recipe.
