There are dozens of persons frantically trying to place their ads shortly after 6 o'clock and their disappointment is very keen, but it is simply impossible to take the ads after

-THEIR REASONS

Last Saturday at 6:05 one gentleman shouted over the phone, "But I have been trying to get The Oregonian for the last five minutes"—he should have tried earlier. Another said: "But I thought your closing hour was 7 o'clock"-large advertisements have been run in The Oregonian every week for months calling attention to the new hour.

A lady said: "But I do a lot of advertising in The Oregonian and you should certainly accommodate me this once" it is not possible to make exceptions for anyone, whether they are large advertisers or small advertisers.
