

It Is Not Enough!

More Subscribers Wanted to Third Liberty Loan

If You Have Not Been Solicited by One of the Official Workers

Won't You Volunteer to Subscribe to Liberty Bonds?

Go to any bank, come to the Liberty Temple; or, telephone to Main 3436 or A 6151, and one of the official solicitors will respond at once. This will assist our workers and help put the Bond Issue over in the shortest possible time, eliminating the necessity of our solicitors making additional calls.

Pro-Americans, Listen!

☐ We want volunteer subscribers: 'Are you one of America's loyal patriots? 'Are you one of those true American citizens who owns a Liberty Bond; or, better still; several Liberty Bonds?'

You are surely aware of the horrible crimes the Huns are perpetrating on the innocent women and children in the devastated districts in Europe. It's terrible beyond description:

MORE MONEY MUST BE HAD—MORE BONDS MUST BE PURCHASED — IT'S THE ONLY WAY WE CAN STOP THE HUNS

WILL YOU BE THE NEXT VOLUNTEER TO SUBSCRIBE?
