

Chinery, Other contracts reported yesterday were six to Kruss & Banks, of North Bend, on Coos Bay, for Ferris ships, hulls only, In contracts placed this rear for wooden vessels no additional Hough ships have been specified. There were 10 let to the McEachern Ship Company and four to the Wilson Ship-building Company at Astoria, and 12 to the Grant Smith-Porter Ship Comthe only ones in the Oregon district. This year four more contracts have been given the Wilson yard, but for Ferris ships. Eight more went to the Grant Smith-Porter organization, also for Ferris ships

It is said that the Grant Smith-Poryard is using approximately 1,500,-fort of lumber a week now, eight ships being under construction, and with the increase in the force and preparations made to push construc-tion to the limit, it is believed that the limiber handled through the plant will soon reach 5,000,000 feet a week. As the average amount of that material in each vessel is 1.600,000 feet, the presint pace is almost equivalent to one

Yerba mate, the famous "Paraguay " is to be tested by France to detes, is to be tested by France to de-tormine its filtness for soldiers' rations. Paraguay's defense, years ago, against the combined armies of Brazil and Ar-gentina was one of the world's most hereic, and there is no telling what part the yerba may have played.
