Ads should be in before noon, and not later than 4 o'clock today to insure proper handling. Ads taken after 6 o'clock are run under "Too Late to Clas-

-EVERY SATURDAY

There are dozens of persons frantically trying to place their ads shortly after 6 o'clock and their disappointment is very keen, but it is simply impossible to take the ads after that hour.

*-THEIR REASONS* 

Last Saturday at 6:05 one gentleman shouted over the phone, "But I have been trying to get The Oregonian for the last five minutes"—he should have tried earlier. Another said: "But I thought your closing hour was 7 o'clock"-large advertisements have been run in The Oregonian every week for months calling attention to the new hour.

A lady said: "But I do a lot of advertising in The Ore-gonian and you should certainly accommodate me this once" -it is not possible to make exceptions for anyone, whether they are large advertisers or small advertisers.

-DON'T FORGET IT 6:00 o'clock SHARP is the closing hour.
